ACRAGLAS GEL MIXING DISHES SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the ACRAGLAS GEL Mixing Dishes from BROWNELLS. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read this manual carefully before using the mixing dishes to avoid any potential hazards.

General Safety Guidelines

- Ensure that you use the ACRAGLAS GEL Mixing Dishes only for their intended purpose.
- Keep the mixing dishes out of reach of children and vulnerable individuals.
- Inspect the mixing dishes for any damage before use. Do not use if damaged.
- Store the mixing dishes in a cool, dry place away from direct sunlight.
- Do not expose the mixing dishes to extreme temperatures or harsh chemicals.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as gloves and eye protection when handling materials that may come into contact with the mixing dishes.
- Avoid direct contact with the ACRAGLAS GEL during mixing and application.
- Ensure proper ventilation when using the mixing dishes in conjunction with chemical substances.
- Do not use sharp objects to scrape or clean the mixing dishes, as this may cause damage.
- Clean the mixing dishes immediately after use to prevent chemical residues from hardening.

Instructions for Installation and Usage

1. Preparation for Use:

- Ensure that your workspace is clean and organized.
- Gather all necessary materials and tools before starting.

2. Mixing Process:

- Measure the required amount of ACRAGLAS GEL according to your project specifications.
- Pour the measured ACRAGLAS GEL into the mixing dish.
- Use a suitable mixing tool to thoroughly blend the components.

3. PostUse Care:

- After mixing, use the mixing dishes promptly to avoid hardening of the ACRAGLAS GEL.
- Once the project is complete, clean the mixing dishes with a suitable solvent as recommended for ACRAGLAS GEL.

Disposal Instructions

- Dispose of any unused or hardened ACRAGLAS GEL according to local regulations.
- Do not throw the mixing dishes in regular household waste if they are contaminated with hazardous materials.
- Check local guidelines for the proper disposal of chemical products and materials.

Contact Information for Further Support

For any safety inquiries or further support regarding the ACRAGLAS GEL Mixing Dishes, please refer to the contact information provided by the retailer or manufacturer. Always ensure you have access to the latest safety updates and product information.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and effective experience with your ACRAGLAS GEL Mixing Dishes.
