# Safety Instructions for PIPE BURNERS BROWNELLS #51 LP GAS ORIFICE

## Introduction

Thank you for choosing the PIPE BURNERS BROWNELLS #51 LP GAS ORIFICE. This product is specifically designed for use with bluing tanks, providing efficient heating solutions. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- **Product Safety:** This burner is designed to meet safety standards for nonfood products. Always use it as intended to minimize risks.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. Follow the manufacturer's instructions for remedies if necessary.
- **Online Shopping:** If you purchased this product online, ensure the platform adheres to safety requirements.
- **Special Consumer Focus:** Extra care should be taken when used around children or vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, please refer to your local EU contact point.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Use in a wellventilated area to avoid gas buildup.
  - Ensure that the burner is compatible with either LP gas or Natural Gas.
  - Be aware of the risks of fire and burns from hot surfaces and flames.
- **Avoiding Hazards:**
  - Always check for gas leaks before use. Use soapy water to check connections for bubbles.
  - Do not use the burner with damaged parts or if it shows signs of wear.
  - Keep flammable materials away from the burner during operation.
  - Use protective gear, such as gloves and goggles, when handling the burner.
- **Age and AudienceSpecific Warnings:**
  - This product is not intended for use by individuals under the age of 18 without adult supervision.
  - Ensure that all users are aware of the safety guidelines and how to operate the burner safely.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure the burner is placed on a stable, nonflammable surface.
  - Connect the burner to the gas supply securely, ensuring there are no leaks.
  - Attach the mixer, orifice cap, and Teevalve as per the manufacturer's instructions.
- **Usage:**
  - Turn on the gas supply and check for leaks before igniting.

- Use a long lighter to ignite the burner safely.
- Adjust the flame to the desired level using the Teevalve.
- Monitor the burner during operation. Never leave it unattended.
- Allow the burner to cool down completely before touching or storing it.

## **Disposal Instructions**

- Dispose of the burner in accordance with local regulations regarding gas appliances.
- Ensure that all gas connections are safely disconnected before disposal.
- Do not dispose of the burner in regular household waste. Check for recycling options for metal components.

## **Contact Information for Further Support**

For any additional questions or support regarding the PIPE BURNERS BROWNELLS #51 LP GAS ORIFICE, please refer to the manufacturer's website or your local distributor.

By following these guidelines, you can ensure a safe and efficient experience with your PIPE BURNERS BROWNELLS #51 LP GAS ORIFICE. Thank you for your attention to safety!
