Safety Instruction Guide for PARKERIZING SUPPLIES ONLY RIFLE/PISTOL BORE PLUGS 6 PACK

Introduction

Thank you for choosing the PARKERIZING SUPPLIES ONLY RIFLE/PISTOL BORE PLUGS 6 PACK. This guide provides essential safety instructions to ensure the safe use and handling of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Always handle the product with care to prevent injury.
- Ensure proper ventilation in the area where the product is used.
- Keep the product out of reach of children and vulnerable individuals.
- Avoid contact with skin and eyes. Use appropriate protective gear when necessary.
- Do not ingest the product or any of its components.
- Follow local regulations for the safe disposal of the product and its packaging.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear gloves and safety goggles when handling the Parkerizing solution to prevent skin and eye irritation.
- Use the product in a wellventilated area to minimize inhalation of fumes.
- Avoid using the product near open flames or heat sources, as it may be flammable.
- Do not mix the Parkerizing solution with other chemicals unless specified in the instructions.
- Ensure that the product is stored in its original container, tightly sealed, and in a cool, dry place.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials, including gloves, goggles, and a wellventilated workspace.
- Ensure that the surface where the Parkerizing will be applied is clean and free of contaminants.

2. Mixing the Solution

- Pour 16 oz. (473 ml) of Parkerizing concentrate into a suitable container.
- Add water to the concentrate to make a total of 1 gallon of solution.
- Stir the mixture thoroughly to ensure even distribution.

3. Application

- Submerge small parts or items to be Parkerized into the solution, ensuring complete coverage.
- Allow the items to remain in the solution for the recommended time as per the specific Parkerizing instructions.
- Carefully remove the items and rinse them with water to stop the Parkerizing process.

4. PostApplication Care

- Allow the items to dry completely before handling or storing.

- Clean up any spills immediately with appropriate cleaning materials.

Disposal Instructions

- Dispose of any unused Parkerizing solution and its containers according to local hazardous waste disposal regulations.
- Do not pour the solution down drains or dispose of it in regular trash.
- Ensure that all waste materials are securely contained and labeled as hazardous.

Contact Information for Further Support

For any further inquiries or safety concerns regarding this product, please refer to the manufacturer's contact information provided on the packaging or the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
