

# J-B® BORE COMPOUND & KROIL - J-B BORE COMPOUND & KROIL KIT

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Bore Cleaning Paste](#)

## A Favorite Cleaning Secret of Shooters Who Demand Ultimate Accuracy

Save money on the do-it-all combination that's been written up in several of the "accuracy" publications: J-B and Kroil! Run a couple of patches soaked in Kroil through the bore to get under and loosen barrel fouling, then wipe away most of the crud with a dry patch. Follow with J-B Compound to dig deep and remove the most stubborn moly residue, powder, and copper jacket fouling. A final pass with Kroil coats the bore with a rust preventive film.

## Attributes

- Name: [J-B BORE COMPOUND & KROIL KIT](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 083065000
- Mfr. No.:
- Size: 8 oz
- Delivery weight: 0.431kg
- Shipping height: 889mm
- Shipping width: 165mm
- Shipping length: 273mm

# JB® BORE COMPOUND & KROIL KIT Safety Instruction Guide

## Introduction

Thank you for choosing the JB® Bore Compound & Kroil Kit. This product is designed for effective bore cleaning and maintenance. To ensure your safety and the safe use of this product, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Always store the product in a cool, dry place away from direct sunlight and heat sources.
- Keep the product out of reach of children and pets.
- If you experience any adverse reactions while using this product, discontinue use immediately and seek medical attention if necessary.
- Regularly check for any product recalls or safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use the product in a wellventilated area to avoid inhalation of fumes.
- Wear protective gloves and eyewear to prevent skin and eye contact with the compound and Kroil.
- Avoid ingestion of the product. If ingested, seek medical advice immediately.
- Do not mix with other chemicals or cleaning agents unless specified in the instructions.
- Dispose of any used patches or materials in accordance with local regulations.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary materials: JB Bore Compound, Kroil, patches, and protective gear (gloves and eyewear).

### 2. Application of Kroil:

- Soak a patch in Kroil and run it through the bore to loosen barrel fouling.
- Allow the Kroil to sit for a few minutes to penetrate the fouling.

### 3. Cleaning with JB Compound:

- Apply a small amount of JB Compound to a clean patch.
- Run the patch through the bore using a cleaning rod, ensuring even coverage.
- Use a backandforth motion to effectively remove stubborn moly residue, powder, and copper jacket fouling.

### 4. Final Cleaning:

- Follow up with another clean patch soaked in Kroil to coat the bore with a rust preventive film.
- Wipe away excess product from the exterior of the firearm.

### 5. PostUse Care:

- Dispose of used patches and materials properly.

- Clean any tools used during the process.

## **Disposal Instructions**

- Dispose of the product and any used materials in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local hazardous waste disposal guidelines.
- If unsure, contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the relevant authorities or your local distributor for support.

By following these guidelines, you can ensure a safe and effective cleaning experience with the JB® Bore Compound & Kroil Kit. Thank you for prioritizing safety.
