# Safety Instructions for SMITH & WESSON MOON CLIPS 686M/.38 SUPER MOON CLIPS

## Introduction

Thank you for choosing the SMITH & WESSON MOON CLIPS 686M/.38 SUPER MOON CLIPS. These moon clips are designed to enhance the performance of your S&W revolver by providing quick and reliable reloads. It is essential to follow all safety guidelines and instructions to ensure safe usage and optimal performance.

## General Safety Guidelines

- Ensure that the moon clips are compatible with your specific S&W revolver model.
- Always handle your firearm and moon clips with care, treating them as if they are loaded.
- Store moon clips in a secure location, away from children and unauthorized users.
- Regularly inspect moon clips for wear and damage before each use.
- Follow all local laws and regulations regarding the use of moon clips and firearms.

## Specific Safety Precautions for Use

- Only use the moon clips with .38 Super cartridges as specified.
- Do not attempt to use moon clips with other calibers unless explicitly stated.
- Ensure that the moon clips are properly seated in the revolver before firing.
- Avoid using damaged or bent moon clips, as they may cause malfunction.
- Be aware of the potential for ejected brass to cause injury; always wear appropriate eye protection when shooting.

## Instructions for Installation and Usage

### 1. Installation of Moon Clips:

- Ensure the revolver is unloaded and pointed in a safe direction.
- Take a moon clip and insert the .38 Super cartridge into the clip, ensuring each cartridge is seated properly.
- Once loaded, insert the moon clip into the cylinder of the revolver, ensuring it is fully seated.

### 2. Usage:

- Confirm that the revolver is in a safe condition before firing.
- Fire the revolver according to standard operating procedures.
- After firing, the moon clips will eject with the spent cartridges. Ensure the area is clear of bystanders before doing so.

## Disposal Instructions

- Dispose of damaged or worn moon clips in accordance with local regulations.
- Do not throw moon clips in regular household waste. Instead, check for local recycling programs that accept metal products.
- Always ensure that any spent cartridges are disposed of safely and in compliance with local laws.

## **Contact Information for Further Support**

For questions or concerns regarding the SMITH & WESSON MOON CLIPS, please refer to the manufacturer's contact information provided with your product. It is important to have access to support for any safety inquiries you may have.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your SMITH & WESSON MOON CLIPS 686M/.38 SUPER MOON CLIPS. Always prioritize safety and stay informed about best practices for firearm usage. Thank you for your attention to these important safety measures.
