

AR-15 ACS STOCK ASSY COLLAPSIBLE MIL-SPEC - BROWNELLS

AR-15 ACS STOCK ASSEMBLY COLLAPSIBLE MIL-SPEC GRAY

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Adaptable Carbine/Storage (ACS) stock is a drop-in replacement for standard USGI M4 collapsible stock that gives the tactical operator extra storage options, a secure, comfortable cheekweld, and an advanced dual-locking lever. Smooth, streamlined exterior contours prevent snagging on clothing, sling, or vegetation, and help ensure fast exits from vehicles without snagging on gear. Removable battery storage compartments run the full length of the extra-wide comb and hold 2 AA or 3 CR-123 batteries, while providing a wide, contoured area for an exceptionally solid, comfortable cheekweld. Secure molded rubber caps keep water and dust out of compartments and face the rear of the stock for easy removal; cap exterior is beveled to resist snagging when shouldering weapon. Positive-locking trapdoor on right side of the stock reveals a roomy storage compartment for additional batteries, coiled up cleaning cable and other cleaning supplies, ear plugs, spare parts, or other small items. Magpul's dual locking system uses an additional cam lever to protect the release lever from accidental operation, yet still allows you to adjust length of pull by simply pushing on the release lever. Slot molded in the toe provides an attachment point for a 1¼" wide sling. Also includes the same detachable rubber buttpad found on Magpul CTR and UBR buttstocks to help keep stock firmly mounted on shoulder. The ASC Buttstock Kit includes the following items: Mil-Spec buffer tube Carbine buffer Chrome Silicone recoil spring Receiver end plate Receiver extension castle nut

Attributes

- Name: [BROWNELLS AR-15 ACS STOCK ASSEMBLY COLLAPSIBLE MIL-SPEC GRAY](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 084000400

Safety Instruction Guide for AR15 ACS Stock Assembly

Introduction

Thank you for choosing the AR15 ACS Stock Assembly. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Always follow local laws and regulations regarding firearms and accessories.
- Ensure that the firearm is unloaded before installing or adjusting the stock assembly.
- Keep the stock assembly away from children and unauthorized users.
- Inspect the stock assembly for any damage or wear before each use.
- Do not use the stock assembly if it is damaged or not functioning properly.
- Store the stock assembly in a secure location when not in use.

Specific Safety Precautions for Use

- Ensure a proper fit to your firearm before use. The stock assembly is designed for AR15 platforms.
- Use only recommended batteries in the storage compartments to avoid leaks or damage.
- Do not overload the storage compartments with excessive weight or items.
- When transitioning from vehicles, ensure that the stock assembly does not snag on clothing or gear.
- Always maintain a secure grip on the firearm when adjusting the stock assembly.
- Be aware of your surroundings and ensure a clear line of sight when aiming.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock by unscrewing the receiver extension castle nut.
- Align the AR15 ACS Stock Assembly with the buffer tube and slide it into place.
- Secure the stock assembly by tightening the castle nut to the manufacturer's specifications.
- Check that the stock is firmly attached and does not wobble.

2. Adjustment

- To adjust the length of pull, locate the release lever on the stock assembly.
- Press the release lever while sliding the stock to the desired position.
- Release the lever to lock the stock in place.

3. Usage

- Ensure a comfortable cheekweld by aligning your cheek with the comb of the stock.
- Use the dual locking system to prevent accidental adjustments during use.
- Store batteries and other small items in the designated compartments, ensuring they are secure.

Disposal Instructions

- Dispose of the stock assembly in accordance with local regulations.
- Do not dispose of the stock assembly in regular household waste.

- If the stock assembly is damaged, contact your local waste management facility for guidance on proper disposal.

Contact Information for Further Support

For any safety inquiries or support regarding the AR15 ACS Stock Assembly, please refer to the manufacturer's website or contact their customer service department.

By following these guidelines, you can ensure the safe and effective use of your AR15 ACS Stock Assembly. Always prioritize safety and compliance with local laws when using this product.
