# Safety Instruction Guide for .22 Brass Magazine Tubes

## Introduction

Thank you for choosing the .22 Brass Magazine Tubes from Brownells. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of this product. Please read this manual thoroughly before using the magazine tubes.

## General Safety Guidelines

- Always handle the magazine tubes with care and follow all safety instructions provided in this guide.
- Ensure that the product is used only for its intended purpose as specified.
- Keep the magazine tubes out of reach of children and unauthorized users.
- Regularly inspect the magazine tubes for any signs of damage or wear before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not modify the magazine tubes in any way, as this may compromise their safety and functionality.
- Avoid exposing the magazine tubes to extreme temperatures, moisture, or corrosive substances.
- Ensure that the magazine tubes are properly crimped and secured before use to prevent any accidents.
- Use only compatible firearms as specified in the product specifications (e.g., Ruger 10/22).
- Always follow the manufacturer's instructions and guidelines for the safe handling of firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Insert the magazine tube into the designated slot of the firearm according to the manufacturer's instructions.
- Ensure that the magazine tube is securely locked in place before proceeding.

### 2. Usage:

- Load the magazine tube with the appropriate ammunition as specified for your firearm.
- Always check that the magazine tube is properly seated in the firearm before firing.
- Do not attempt to remove the magazine tube while the firearm is loaded.
- After use, unload the firearm and remove the magazine tube.

## Disposal Instructions

- Dispose of any damaged or worn magazine tubes in accordance with local regulations.
- Do not throw away the magazine tubes in regular household waste.
- Contact your local waste management facility for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the safety or use of the .22 Brass Magazine Tubes, please reach out to the appropriate customer service or support channels provided by the manufacturer.

## **Conclusion**

Your safety and satisfaction are of utmost importance. By following the guidelines and instructions outlined in this document, you can ensure a safe and enjoyable experience with your .22 Brass Magazine Tubes. Thank you for your attention to these important safety measures.
