Saves You Time-Gives Customer All The Info

For you or your employees to remember the price and every detail on every gun in the shop is almost an impossible job. A gun sold at the wrong price or a sale lost because a customer's questions went unanswered is money out of your pocket. These Gun Price Tags were designed with the help of gunsmiths like you to stop those problems. They let your customer (and sales people) make "apples-to-apples" comparisons and then select the gun that suits their needs best. There are 11 pre-printed headings for: Stock No.; Serial No.; Brand Name; Model; Bore Diameter; Barrel Length; Action Type; Caliber/Gauge; "Other" info; a blank line; a Retail Price line and a blank space. 3 Different colors give instant identification; lets you create your own color-coded system for new and used, or consignment guns.

PRICE TAGS Safety Instruction Guide

Introduction

Thank you for choosing the Brownells Manilla Gun Price Tags. These tags are designed to help you and your employees keep track of pricing and essential details for firearms in your shop. This guide provides important safety instructions and guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all tags are used in accordance with the manufacturer's instructions.
- Keep tags out of reach of children to prevent choking hazards.
- Regularly inspect tags for wear and tear. Discard any damaged tags.
- Use tags only for their intended purpose; do not modify or repurpose them.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- When handling tags, ensure that your hands are clean and dry to prevent slipping.
- Avoid using tags in wet conditions to maintain their integrity.
- Be cautious when using sharp objects to attach tags to firearms, as this may cause injury.
- Ensure that tags are securely attached to items to prevent them from falling off during display or transport.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tags and writing instruments.
- Ensure that you have a clean and organized workspace.

2. Filling Out the Tags:

- Use a permanent marker or pen to fill in the required information on the tag.
- Include details such as Stock No., Serial No., Brand Name, Model, Bore Diameter, Barrel Length, Action Type, Caliber/Gauge, and Retail Price.
- Utilize the "Other" info section for any additional details relevant to the firearm.

3. Attaching the Tags:

- Use the reinforced hole at the top of the tag to attach it securely to the firearm.
- Ensure that the tag is visible and easily readable for customers.

4. Color Coding System:

- Consider using the three available colors (manilla, light blue, yellow) to create a colorcoded system for categorizing firearms (e.g., new, used, consignment).

5. Storage:

- Store unused tags in a dry, cool place to prevent damage.
- Keep tags organized to facilitate easy access during use.

Disposal Instructions

- Dispose of any damaged or wornout tags in accordance with local waste management regulations.
- Recycle tags made from paper or cardboard if local facilities allow.
