## **Saves You Time-Gives Customer All The Info**

For you or your employees to remember the price and every detail on every gun in the shop is almost an impossible job. A gun sold at the wrong price or a sale lost because a customer's questions went unanswered is money out of your pocket. These Gun Price Tags were designed with the help of gunsmiths like you to stop those problems. They let your customer (and sales people) make "apples-to-apples" comparisons and then select the gun that suits their needs best. There are 11 pre-printed headings for: Stock No.; Serial No.; Brand Name; Model; Bore Diameter; Barrel Length; Action Type; Caliber/Gauge; "Other" info; a blank line; a Retail Price line and a blank space. 3 Different colors give instant identification; lets you create your own color-coded system for new and used, or consignment guns.

## **BROWNELLS MANILLA GUN PRICE TAGS**

### **Introduction**

Thank you for choosing BROWNELLS MANILLA GUN PRICE TAGS. This guide provides important safety information and usage instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the tags.

### **General Safety Guidelines**

- Ensure that the gun price tags are used only for their intended purpose of labeling firearms with pricing and related information.
- Store the tags in a cool, dry place away from direct sunlight to prevent damage to the card stock material.
- Keep the tags out of reach of children to prevent accidental ingestion or misuse.
- Regularly inspect the tags for any signs of damage or wear before use. Discard any tags that are torn or excessively worn.

### **Specific Safety Precautions for Use**

- Avoid using the tags in wet or humid conditions, as moisture can weaken the card stock and affect the printed information.
- When attaching the tags to firearms, ensure that the reinforced hole is used properly to prevent tearing or detachment.
- Do not use sharp objects to puncture or modify the tags, as this may create sharp edges that could cause injury.
- If using the tags with firearms that may be exposed to harsh environments, consider additional protective measures to ensure the tags remain legible and intact.

### **Instructions for Installation and Usage**

#### **1. Preparation:**

- Gather all necessary items, including the gun price tags, a pen or marker for writing, and any additional labeling tools if needed.

#### **2. Labeling:**

- Use the preprinted headings on the tags to fill in relevant information:
  - Stock No.
  - Serial No.
  - Brand Name
  - Model
  - Bore Diameter
  - Barrel Length
  - Action Type
  - Caliber/Gauge
  - Other info
  - Retail Price
- Use the blank line for any additional notes you may want to include.

#### **3. Attachment:**

- Use the reinforced hole to tie the tag securely to the firearm. Ensure that the tag is visible and legible.
- If using a string or tie, make sure it is securely fastened to prevent the tag from falling off during handling or display.

#### **4. Color Coding:**

- Utilize the different colors available (manilla, light blue, yellow) to create a colorcoded system for categorizing new, used, or consignment guns. This can help streamline inventory management and sales processes.

#### **5. PostUse:**

- After use, if the tags are no longer needed, follow the disposal instructions provided below.

## **Disposal Instructions**

- Dispose of any damaged or unused tags in accordance with local waste disposal regulations.
- Recycle the tags if possible, as they are made of card stock material. Check local recycling guidelines to ensure proper disposal.
