## Saves You Time-Gives Customer All The Info

For you or your employees to remember the price and every detail on every gun in the shop is almost an impossible job. A gun sold at the wrong price or a sale lost because a customer's questions went unanswered is money out of your pocket. These Gun Price Tags were designed with the help of gunsmiths like you to stop those problems. They let your customer (and sales people) make "apples-to-apples" comparisons and then select the gun that suits their needs best. There are 11 pre-printed headings for: Stock No.; Serial No.; Brand Name; Model; Bore Diameter; Barrel Length; Action Type; Caliber/Gauge; "Other" info; a blank line; a Retail Price line and a blank space. 3 Different colors give instant identification; lets you create your own color-coded system for new and used, or consignment guns.

# **GUN PRICE TAGS BROWNELLS LIGHT BLUE GUN PRICE TAGS 100 PACK Safety Instructions**

## **Introduction**

Thank you for purchasing the Brownells Light Blue Gun Price Tags. These tags are designed to help you and your employees effectively manage pricing and details for firearms in your shop. This safety instruction guide provides essential information to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Ensure all employees handling the tags are trained in proper usage and safety protocols.
- Store tags in a clean, dry place away from direct sunlight to prevent damage.
- Regularly inspect tags for wear and tear to ensure they remain legible and effective.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Avoid using tags for purposes other than their intended use, such as labeling nongunrelated items.
- Keep tags out of reach of children to prevent accidental ingestion or misuse.
- Do not overload tags with excessive information; ensure clarity and legibility.
- Use caution when tying or securing tags to firearms to prevent damage to the firearm or the tag.

## **Instructions for Installation and Usage**

1. **Preparation:** Before using the tags, ensure that you have all necessary information ready, including stock number, serial number, brand name, model, bore diameter, barrel length, action type, caliber/gauge, and retail price.
2. **Filling Out the Tags:**
  - Use a permanent marker or pen to fill in the preprinted headings on the tag.
  - Ensure that all information is clear and legible for customer understanding.
3. **Attaching the Tags:**
  - Use the reinforced hole at the top of the tag to tie it securely to the firearm.
  - Ensure that the tag is visible and does not obstruct any critical parts of the firearm.
4. **Color Coding:**
  - Utilize the different colors of tags (manilla, light blue, and yellow) to create a colorcoded system for new, used, or consignment guns.
  - Ensure that the colorcoding system is communicated clearly to all employees.

## **Disposal Instructions**

- Dispose of damaged or outdated tags in accordance with local waste disposal regulations.
- Recycle tags whenever possible, following your local recycling guidelines.

## **Contact Information for Further Support**
