

# GUN PRICE TAGS - BROWNELLS GUN PRICE TAGS, LIGHT BLUE, 500 PACK

[Gunsmith Tools](#) > [Shop Accessories & Supplies](#) > [Tags & Tickets](#)

## Saves You Time-Gives Customer All The Info

For you or your employees to remember the price and every detail on every gun in the shop is almost an impossible job. A gun sold at the wrong price or a sale lost because a customer's questions went unanswered is money out of your pocket. These Gun Price Tags were designed with the help of gunsmiths like you to stop those problems. They let your customer (and sales people) make "apples-to-apples" comparisons and then select the gun that suits their needs best. There are 11 pre-printed headings for: Stock No.; Serial No.; Brand Name; Model; Bore Diameter; Barrel Length; Action Type; Caliber/Gauge; "Other" info; a blank line; a Retail Price line and a blank space. 3 Different colors give instant identification; lets you create your own color-coded system for new and used, or consignment guns.

# Gun Price Tags Safety Instruction Guide

## Introduction

Thank you for choosing the Brownells Light Blue Gun Price Tags. This guide provides essential safety information to ensure the safe and effective use of these tags in your shop. By following these guidelines, you can help prevent accidents and misunderstandings related to pricing and product identification.

## General Safety Guidelines

- Ensure that all employees handling the gun price tags are aware of the safety guidelines.
- Use the tags only for their intended purpose: labeling firearms with pricing and details.
- Keep the tags out of reach of children and vulnerable individuals to prevent misuse.
- Regularly check for any recalls or safety updates related to the product on the EU Safety Gate platform.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Avoid using tags that are damaged or have visible wear, as this may lead to incorrect pricing or loss of important information.
- Ensure the reinforced hole for tag ties is intact to prevent the tags from detaching from the firearms.
- When writing on the tags, use permanent markers to ensure that the information remains legible and does not smudge.
- Do not overload the tags with excessive information; use the designated spaces for clarity.
- Keep the tags away from moisture to prevent deterioration of the card stock.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary materials: gun price tags, a permanent marker, and tag ties.
- Ensure the workspace is clean and organized to avoid confusion.

### 2. Labeling Process

- Take a gun price tag and fill in the required information:
  - Stock No.
  - Serial No.
  - Brand Name
  - Model
  - Bore Diameter
  - Barrel Length
  - Action Type
  - Caliber/Gauge
  - Other info (if applicable)
  - Retail Price
- Leave the blank line and “Other” info section for any additional details as needed.

### 3. Attaching the Tags

- Use the reinforced hole to thread the tag tie securely.
- Attach the tag to the firearm in a visible location to ensure it is easily readable by customers and staff.

#### 4. Color Coding (Optional)

- Utilize the different colors available (manilla, light blue, yellow) to create a colorcoded system for new, used, or consignment guns.
- Make sure that the color coding is clearly communicated to all employees for consistency.

### Disposal Instructions

- Dispose of any damaged or unusable tags in accordance with local waste disposal regulations.
- If the tags are made of recyclable materials, follow your local recycling guidelines to ensure proper disposal.

### Contact Information for Further Support

For any questions or concerns regarding the use of the Brownells Light Blue Gun Price Tags, please refer to your local distributor or retailer for assistance. Always ensure that you are following the latest safety guidelines and product updates.
