Saves You Time-Gives Customer All The Info

For you or your employees to remember the price and every detail on every gun in the shop is almost an impossible job. A gun sold at the wrong price or a sale lost because a customer's questions went unanswered is money out of your pocket. These Gun Price Tags were designed with the help of gunsmiths like you to stop those problems. They let your customer (and sales people) make "apples-to-apples" comparisons and then select the gun that suits their needs best. There are 11 pre-printed headings for: Stock No.; Serial No.; Brand Name; Model; Bore Diameter; Barrel Length; Action Type; Caliber/Gauge; "Other" info; a blank line; a Retail Price line and a blank space. 3 Different colors give instant identification; lets you create your own color-coded system for new and used, or consignment guns.

GUN PRICE TAGS Safety Instruction Guide

Introduction

Thank you for choosing GUN PRICE TAGS. These tags have been designed to help you and your employees accurately label and price firearms in your shop. Proper use of these tags can prevent pricing errors and enhance customer satisfaction. This guide provides essential safety instructions and guidelines for the safe use of GUN PRICE TAGS in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the tags are used only for their intended purpose of labeling firearms.
- Keep the tags out of reach of children and vulnerable individuals to avoid any potential hazards.
- Regularly inspect the tags for damage or wear. Do not use any tags that are torn or compromised.
- Follow all local and national regulations regarding the labeling and pricing of firearms.

Specific Safety Precautions for Use

- Always use the tags in a welllit area to avoid errors in writing or reading the information.
- When writing on the tags, use permanent markers to ensure that the information remains legible.
- Avoid placing tags in areas where they may come into contact with moisture or chemicals that could damage them.
- Do not overload the tags with excessive information; keep it concise to ensure clarity.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials: GUN PRICE TAGS, a permanent marker, and a tag tie.

2. Writing Information:

- Use the preprinted headings on the tags to fill in the required information:
 - Stock No.
 - Serial No.
 - Brand Name
 - Model
 - Bore Diameter
 - Barrel Length
 - Action Type
 - Caliber/Gauge
 - Other info
 - Retail Price
- Leave the "blank line" for any additional notes.

3. Attaching the Tags:

- Use the reinforced hole at the top of the tag to attach it securely to the firearm.
- Ensure that the tag is visible and not obstructed by any other items or packaging.

4. ColorCoding:

- Utilize the different colors of tags (manilla, light blue, yellow) to create a colorcoded system for easy identification of new and used firearms or consignment guns.

5. Displaying the Firearms:

- Ensure that all firearms are displayed in a manner that allows easy viewing of the attached tags.
- Regularly check that the tags remain securely attached and legible.

Disposal Instructions

- Dispose of any damaged or unused tags in accordance with local waste disposal regulations.
- Do not dispose of tags in a manner that could pose a hazard to the environment or wildlife.
