# INSTA GRIP HEAVY TAPE Safety Instructions

## Introduction

Thank you for choosing the INSTA GRIP HEAVY TAPE by Brownells. This product is designed to enhance the grip on various firearms, providing a more secure handling experience. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the product as intended and according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for signs of wear or damage. Do not use if damaged.
- In case of any accidents or injuries, seek medical assistance immediately.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Risk of Slipping:** Ensure that the surface where the tape is applied is clean and dry to avoid slipping.
- **Chemical Sensitivity:** If you are sensitive to adhesives, test a small area before full application.
- **Allergic Reactions:** If you experience any skin irritation or allergic reaction, discontinue use immediately and consult a medical professional.
- **Fire Hazard:** Keep the tape away from open flames and high heat sources.
- **Proper Handling:** Avoid applying excessive force when handling the tape to prevent injury.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the surface where the tape will be applied using a suitable cleaner to remove dirt, oil, and moisture.
- Allow the surface to dry completely before proceeding.

### 2. Cutting the Tape:

- Use scissors to cut the desired length of tape. For optimal results, cut the tape to fit the specific area of your firearm.

### 3. Peeling the Backing:

- Gently peel off the backing from the tape, exposing the adhesive side.

### 4. Applying the Tape:

- Position the tape carefully on the desired surface (handgun grips, bull barrels, rifle or shotgun stock forearms, and butt plates).
- Press down firmly to ensure proper adhesion, smoothing out any bubbles or wrinkles.

### 5. Final Check:

- Inspect the application to ensure that the tape is securely attached and that there are no loose edges.

### 6. Usage:

- Use the firearm with the tape applied as you normally would, ensuring a secure grip during operation.

## Disposal Instructions

- Dispose of any unused or damaged tape in accordance with local regulations.
- Do not dispose of the tape in fire or extreme heat, as it may release harmful fumes.

## Contact Information for Further Support

For safety inquiries or further assistance, please refer to the manufacturer's contact details provided on the product packaging or website.
