Safety Instruction Guide for STANDARD LINE BRONZE BORE BRUSHES

Introduction

Thank you for choosing the STANDARD LINE BRONZE BORE BRUSHES. This guide provides essential safety instructions to ensure safe and effective use of the product. It is important to read and understand these guidelines before using the bore brushes to minimize risks and enhance your safety.

General Safety Guidelines

- Ensure that all nonfood products, including the bore brushes, are used safely according to the instructions provided.
- Be aware that additional risks may not be covered by other EU laws; therefore, always follow the guidelines outlined in this document.
- If you purchase this product online, be assured that it meets the same safety standards as those purchased in physical stores.
- Special care should be taken when the product is used around vulnerable groups, especially children.
- In case of any safety inquiries, please refer to the designated EU contact point for assistance.
- Stay informed about product safety by checking for updates on the EU Safety Gate platform regarding any recalls or safety alerts.

Specific Safety Precautions for Use

- Always inspect the bore brush before use for any signs of damage or wear.
- Use the bore brush only for its intended purpose, which is cleaning firearm bores.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the bore brush.
- Wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, to protect against debris and cleaning agents.
- Keep the bore brushes out of reach of children and pets when not in use.
- Do not use the bore brushes on any surfaces other than firearm bores, as this may cause damage to the brush or the firearm.

Instructions for Installation and Usage

• Installation:

1. Select the appropriate bore brush size for your firearm caliber. The STANDARD LINE BRONZE BORE BRUSHES are available in various calibers, including 32 Caliber (.312.313).
2. Attach the bore brush to a cleaning rod with the appropriate thread size. For pistols, use the 832 thread.

• Usage:

1. Insert the bore brush into the barrel of the firearm.
2. Rotate the cleaning rod while gently pushing the brush through the bore. This will help to scrub away fouling and debris.
3. Pull the brush back out of the barrel carefully to avoid any damage.
4. Clean the bore with a suitable cleaning solution after using the brush for optimal results.
5. After use, clean the bore brush with warm water and allow it to dry before storage.

Disposal Instructions

- Dispose of any damaged or worn bore brushes responsibly, following local regulations for waste disposal.
- Do not dispose of bore brushes in regular household waste if they contain hazardous materials. Instead, consult local waste management guidelines for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and use of the STANDARD LINE BRONZE BORE BRUSHES, please consult the designated EU contact point for assistance.

Thank you for prioritizing safety while using our products. Your adherence to these guidelines helps ensure a safe and effective cleaning experience.
