

# DOUBLE-TUFF™ BORE BRUSH - DOUBLE-TUFF BRONZE SHOTGUN BRUSH 28 GAUGE 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

## Make Short Work Of Leaded & Heavily Fouled Bores In Handguns, Rifles & Shotguns

Extra-thick, kinked, phosphor bronze wire gives the hard scrubbing action needed to cut through the toughest crud in your bores. You'll have to push like the dickens, but the results will be well worth it. Bristles are Extra-Thick phosphor Bronze and will not scratch bores. Great for removing stubborn carbon deposits. Rifle Brushes are 3.25" Long and use 8-32 male Threads Rifle Brushes .54 and .58 have 10-32 Male Threads Pistol Brushes are 2.88" Long and use 8-32 Male Threads Shotgun Brushes are 2.88" Long and use 5/16"-27 Male Threads

# DOUBLETUFF™ BORE BRUSH SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the DOUBLETUFF™ BORE BRUSH. This product is designed to help you maintain your firearms by providing a robust cleaning solution for your shotgun bores. To ensure safe and effective use of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Inspect the bore brush for any damage before each use. Do not use if damaged.
- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Wear appropriate personal protective equipment, such as safety glasses and gloves, while using the bore brush.
- Be aware of your surroundings and ensure that no one is in close proximity while cleaning your firearm.

## Specific Safety Precautions for Use

- The bristles of the bore brush are made of extrathick phosphor bronze. While they are designed not to scratch bores, excessive force can cause damage.
- Use only the appropriate size bore brush for your firearm's gauge to avoid damaging the bore.
- Avoid using the bore brush on firearms that are not compatible with the 28 gauge specification.
- Do not use the bore brush for any purpose other than cleaning shotgun bores.
- If you experience any discomfort or adverse reaction while using the bore brush, discontinue use immediately and seek medical attention if necessary.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is unloaded and in a safe condition for cleaning.
- Gather all necessary cleaning supplies, including the bore brush, cleaning rod, and cleaning solvent.

### 2. Installation

- Attach the bore brush to the cleaning rod:
  - For shotgun brushes, use the 5/16"27 male threads.
  - Ensure the brush is securely fastened to prevent it from detaching during use.

### 3. Usage

- Apply a suitable cleaning solvent to the bore brush.
- Insert the bore brush into the bore of the shotgun.
- Use a firm and steady motion to scrub the bore, applying appropriate pressure as needed.
- After scrubbing, withdraw the brush from the bore and clean it with a cloth or cleaning solution.
- Repeat the process until the bore is clean and free of carbon deposits.

### 4. PostCleaning

- After cleaning, ensure that the bore is dry and free of any cleaning solvent.
- Store the bore brush in a safe place, away from children and pets.

## Disposal Instructions

- Dispose of the bore brush responsibly. Do not throw it in regular household waste.
- If the bore brush is damaged or worn out, consider recycling it according to local guidelines for metal products.
- Follow local regulations for the disposal of cleaning solvents used with the bore brush.

## Contact Information for Further Support

For any questions or concerns regarding the use of the DOUBLETUFF™ BORE BRUSH, please refer to the manufacturer's website or customer service for assistance. It is essential to have access to reliable support for any safety inquiries.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your DOUBLETUFF™ BORE BRUSH. Thank you for prioritizing safety while maintaining your firearms.
