

DOUBLE-TUFF™ BORE BRUSH - BROWNELLS DOUBLE-TUFF BRONZE RIFLE BRUSH 35-38 CALIBER 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Make Short Work Of Leaded & Heavily Fouled Bores In Handguns, Rifles & Shotguns

Extra-thick, kinked, phosphor bronze wire gives the hard scrubbing action needed to cut through the toughest crud in your bores. You'll have to push like the dickens, but the results will be well worth it. Bristles are Extra-Thick phosphor Bronze and will not scratch bores. Great for removing stubborn carbon deposits. Rifle Brushes are 3.25" Long and use 8-32 male Threads Rifle Brushes .54 and .58 have 10-32 Male Threads Pistol Brushes are 2.88" Long and use 8-32 Male Threads Shotgun Brushes are 2.88" Long and use 5/16"-27 Male Threads

DOUBLETUFF™ BORE BRUSH SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the DOUBLETUFF™ BORE BRUSH. This product is designed to help you maintain your firearms by effectively cleaning the bore. To ensure your safety and the safety of others, please read this safety instruction guide carefully before use.

General Safety Guidelines

- Always use the bore brush in accordance with the manufacturer's instructions.
- Keep the bore brush out of reach of children and pets.
- Inspect the bore brush before each use for any signs of damage or wear.
- Do not use the bore brush for any purpose other than its intended use.
- If you notice any unusual behavior or performance issues while using the bore brush, stop using it immediately and consult a professional.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear safety goggles and gloves when using the bore brush to protect your eyes and hands from debris and cleaning solvents.
- **Ventilation:** Use the bore brush in a wellventilated area to avoid inhaling any fumes from cleaning solvents.
- **Fire Safety:** Keep the bore brush and any cleaning materials away from open flames or heat sources.
- **Handling:** Always handle the bore brush with care. Do not apply excessive force that may cause the brush to break or become dislodged during use.
- **Bore Cleaning:** Ensure that the firearm is unloaded before cleaning the bore. Follow the firearm manufacturer's instructions for cleaning procedures.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary materials, including the bore brush, cleaning rod, and cleaning solvent.

2. Installation:

- Attach the bore brush to the cleaning rod by threading it securely.
- For rifle brushes, ensure the correct thread size is used (832 for standard rifles; 1032 for .54 and .58 caliber rifles).

3. Usage:

- Apply a small amount of cleaning solvent to the bore brush.
- Insert the bore brush into the bore of the firearm.
- Use a backandforth motion to scrub the bore thoroughly, applying firm pressure as needed.
- Remove the bore brush from the firearm and clean it with solvent after use.
- Repeat the process as necessary until the bore is clean.

4. PostCleaning:

- After cleaning, inspect the bore brush for wear or damage and replace it if necessary.
- Store the bore brush in a safe place away from children and pets.

Disposal Instructions

- Dispose of the bore brush in accordance with local regulations.
- If the bore brush is damaged or worn out, do not attempt to repair it; instead, dispose of it properly.
- Check local guidelines for the disposal of cleaning solvents and other materials used during the cleaning process.

Contact Information for Further Support

For safety inquiries or additional information regarding the DOUBLETUFF™ BORE BRUSH, please refer to the product packaging or contact the manufacturer directly.

Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with your DOUBLETUFF™ BORE BRUSH. Always prioritize safety and proper handling to maintain the integrity of your firearm and your wellbeing. Thank you for your attention to these important guidelines.
