# ALUMAHYDE CLEAN OUT NOZZLES Safety Instruction Guide

## Introduction

Thank you for choosing the ALUMAHYDE CLEAN OUT NOZZLES. This guide provides essential safety instructions to ensure the safe use of the product. Please read this document carefully before using the product to minimize risks and ensure a safe experience.

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- The Clean Out Nozzle is not intended for spraying. Use only for cleaning plugged pickup tubes.
- Ensure that the area is clear of bystanders before using the product.
- Do not exceed the recommended pressure limits when using the nozzle to avoid accidents.
- Wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the nozzle.
- Do not point the nozzle at yourself or others while in use.
- If the nozzle becomes clogged, do not attempt to clear it while it is under pressure.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the work area is clean and free from obstructions.
- Gather all necessary tools and PPE before starting.

### 2. Using the Clean Out Nozzle:

- Attach the Clean Out Nozzle securely to the pickup tube.
- Make sure the connection is tight to prevent any air leaks.
- Gradually increase the pressure to blow through the plugged tube.
- Once the tube is clear, disconnect the Clean Out Nozzle.

### 3. Replacement Nozzle Installation:

- After cleaning, if you need to continue spraying, install a Replacement Nozzle on the pickup tube.
- Follow the manufacturer's instructions for attaching the Replacement Nozzle.

### 4. After Use:

- Store the Clean Out Nozzles in a dry and safe place, away from children.
- Regularly inspect the nozzles for wear and tear.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste unless specified by local guidelines.
- If the product is damaged or no longer usable, consider recycling options where available.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with the product packaging or on their official website.

Thank you for your attention to these safety guidelines. Your safety is our priority.
