Safety Instruction Guide for COMPETITOR PLUS SLING HOOKS 6 PACK

Introduction

Thank you for choosing the COMPETITOR PLUS SLING HOOKS 6 PACK. This product is designed for safe and effective use in various applications, including replacing bent hooks or creating custom slings. Please read this safety instruction guide carefully to ensure proper usage and to minimize any risks associated with the product.

General Safety Guidelines

- Always inspect the hooks for signs of damage or wear before use.
- Ensure the hooks are securely attached to the sling before use.
- Do not exceed the weight limit of the sling you are using the hooks with.
- Keep the product out of reach of children to prevent accidental injury.
- Report any unsafe conditions or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Risk of injury from falling objects if hooks are not securely attached.
 - Risk of damage to the sling if hooks are bent or worn.
- **Avoiding Hazards:**
 - Always ensure that hooks are properly fastened.
 - Do not use if hooks are bent, cracked, or show any signs of damage.
 - Use only with compatible slings and ensure they are rated for the intended load.
- **Audience Specific Warnings:**
 - This product is not intended for use by children.
 - Ensure that only trained and knowledgeable individuals handle and use the hooks.

Instructions for Installation and Usage

1. Installation:

- Remove any existing hooks that are bent or damaged.
- Align the new COMPETITOR PLUS SLING HOOKS with the sling.
- Securely attach the hooks using the provided copper rivets.
- Ensure that all rivets are tightly fastened and the hooks are firmly in place.

2. Usage:

- Check the weight limit of the sling and ensure the load does not exceed this limit.
- Before using the sling, perform a visual inspection of the hooks and rivets.
- When lifting or carrying, maintain a balanced load and ensure the hooks are secure.
- Avoid sudden movements that may cause the load to shift or fall.

Disposal Instructions

- Dispose of any damaged or worn hooks and rivets according to local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options where available.
- Ensure that all components are disposed of in a manner that prevents harm to the environment.
