

HEAVY-DUTY PATCHES - HEAVY DUTY SQUARE COTTON PATCHES, .875"/.17/.20 CAL, 1000 PK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Patches](#)

A Thousand Times Better Than Synthetic Patches

No more doubling up on patches when you tackle those really dirty bores. Made from a double-thick, soft-napped, 100% cotton, Canton flannel to hold more solvent and absorb more fouling without using twice as many patches. Same size selection, shipping weight and premium quality as our standard Bulk Cleaning Patches.

Safety Instruction Guide for HEAVYDUTY PATCHES

Introduction

Thank you for choosing the HEAVYDUTY PATCHES. This guide provides important safety information to ensure the safe and effective use of these cotton patches. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the patches are stored in a cool, dry place away from direct sunlight.
- Keep the product out of reach of children and pets to prevent accidental ingestion or misuse.
- Always inspect the patches before use. Do not use if damaged or if there are any signs of wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Use the patches only for their intended purpose, which is cleaning firearms.
- Avoid using the patches with solvents that are not compatible with cotton materials.
- Do not exceed the recommended number of patches for cleaning to avoid clogging or excessive residue buildup.
- If you experience any allergic reactions to the material, discontinue use immediately and consult a healthcare professional.
- Ensure proper ventilation when using solvents with the patches to avoid inhalation of harmful fumes.

Instructions for Installation and Usage

- Before using the HEAVYDUTY PATCHES, read the firearm's cleaning manual for specific instructions related to your firearm.
- To use the patches:
 1. Select the appropriate size patch for your firearm caliber (7/8 for 17 Caliber).
 2. Apply the solvent to the patch as per the manufacturer's instructions.
 3. Insert the patch into the cleaning rod or tool.
 4. Gently push the patch through the bore of the firearm.
 5. Repeat as necessary, using a clean patch for each pass to ensure effective cleaning.
- After cleaning, dispose of the used patches responsibly in accordance with local waste disposal regulations.

Disposal Instructions

- Used patches should be disposed of in accordance with local regulations regarding textile waste.
- Do not incinerate the patches unless they are confirmed to be safe for such disposal.
- If the patches are contaminated with hazardous substances, treat them as hazardous waste and follow local disposal guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact details provided on the packaging.

Thank you for your attention to these safety instructions. Your safety is our priority.
