Safety Instruction Guide for STANDARD LINE BRONZE BORE BRUSHES FOR RIFLE

Introduction

Thank you for choosing the STANDARD LINE BRONZE BORE BRUSHES FOR RIFLE. This guide provides essential safety instructions to ensure the safe use of the product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully before using the bore brushes.

General Safety Guidelines

- Always use the bore brushes as intended for cleaning rifle bores only.
- Keep the bore brushes out of reach of children and vulnerable individuals.
- Regularly inspect the brushes for wear and damage before use.
- Do not use the brushes if they show signs of damage or excessive wear.
- Ensure that the brushes are stored in a safe and dry place when not in use.
- Follow all local laws and regulations regarding the use and disposal of cleaning supplies.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using the bore brushes to prevent debris from entering the eyes.
- Use the brushes with a compatible cleaning rod to avoid damage to the brush or the rifle bore.
- Do not apply excessive force while using the brushes; this may cause damage to both the brush and the rifle.
- Avoid using the brushes with any cleaning solutions that are not recommended for use with bronze materials.
- Dispose of any damaged brushes immediately to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bore brush, cleaning rod, and any recommended cleaning solutions.

2. Attaching the Bore Brush:

- Select the appropriate bore brush for your rifle caliber (22 Caliber).
- Attach the bore brush to the cleaning rod by screwing it into the compatible thread (540 or 832, depending on the model).
- Ensure the brush is securely attached before proceeding.

3. Using the Bore Brush:

- Insert the bore brush into the rifle bore gently.
- Pull the brush through the bore with a steady motion, ensuring it moves freely without excessive force.
- Repeat this process as needed, typically 3 to 5 passes for thorough cleaning.
- After use, clean the brush with a suitable cleaning solution and rinse it thoroughly.

4. PostUse Care:

- Inspect the brush for any signs of wear or damage after cleaning.
- Store the brush in a dry, safe location, away from children and pets.

Disposal Instructions

- Dispose of any damaged or worn bore brushes in accordance with local waste disposal regulations.
- Do not dispose of the brushes in regular household waste if they contain hazardous materials.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, please refer to the contact information provided on the packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Happy shooting!
