# Safety Instruction Guide for STANDARD LINE BRONZE BORE BRUSHES

## Introduction

Thank you for choosing the STANDARD LINE BRONZE BORE BRUSHES for your rifle cleaning needs. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this document carefully before using the bore brushes.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of this product by following all instructions and warnings provided in this guide.
- **Vulnerable Groups:** Keep this product out of reach of children and vulnerable individuals to prevent accidents.
- **Online Shopping Safety:** If purchased online, ensure that you buy from reputable sellers who comply with safety regulations.
- **Reporting Unsafe Products:** If you encounter any unsafe products or accidents, report them to the appropriate authorities immediately.
- **Recall Updates:** Regularly check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The bore brushes are designed for cleaning rifle barrels. Improper use may lead to injury or damage to the firearm.
  - Avoid using the brushes on other types of firearms unless specified.
- **Avoiding Hazards:**
  - Always wear safety glasses when using bore brushes to protect your eyes from debris.
  - Ensure the firearm is unloaded and pointed in a safe direction before cleaning.
  - Do not use excessive force when cleaning to avoid damaging the brush or the firearm.
  - Do not use the brushes in a manner not intended by the manufacturer.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and safe to handle.
- Gather all necessary cleaning supplies, including cleaning solvent, patches, and a cleaning rod.

### 2. Installation:

- Select the appropriate bore brush for your rifle caliber (270/6.8 mm).
- Attach the bore brush to the cleaning rod securely. Ensure it is firmly in place to prevent detachment during use.

### 3. Usage:

- Apply cleaning solvent to the bore brush as needed.

- Insert the bore brush into the rifle barrel from the chamber end and push it through to the muzzle.
- Pull the brush back through the barrel without twisting to avoid damage.
- Repeat the process as necessary, usually 23 times, depending on the level of fouling.
- After cleaning, run a dry patch through the barrel to remove any remaining solvent.

#### **4. PostUse Care:**

- Clean the bore brush with solvent and allow it to dry completely before storing.
- Store the bore brush in a dry, safe location out of reach of children.

## **Disposal Instructions**

- Dispose of the bore brushes in accordance with local regulations. Recycle if possible.
- Do not dispose of the brushes in general household waste if they are damaged or contaminated with hazardous materials.

## **Contact Information for Further Support**

For any inquiries or further support regarding the use and safety of the STANDARD LINE BRONZE BORE BRUSHES, please refer to the manufacturer's contact details provided at the point of purchase.

Thank you for prioritizing safety while maintaining your firearm. Your attention to these guidelines helps ensure a safe and effective cleaning experience.
