Safety Instruction Guide for STANDARD LINE BRONZE BORE BRUSHES FOR RIFLE

Introduction

Thank you for choosing the STANDARD LINE BRONZE BORE BRUSHES FOR RIFLE, specifically designed for the BROWNELLS 338 CALIBER RIFLE. This guide provides essential safety instructions to ensure the safe and effective use of this product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the bore brush is used only for its intended purpose.
- Always handle the brush with care to avoid injury.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Inspect the brush before each use for any signs of damage or wear.
- Do not use the brush if it is damaged or if the bristles are frayed.
- Store the brush in a dry place to prevent rust and deterioration.
- Follow all manufacturer instructions for use and maintenance.

Specific Safety Precautions for Use

- Wear appropriate safety goggles to protect your eyes during use.
- Use gloves to protect your hands from potential abrasions.
- Ensure that the rifle is unloaded and pointed in a safe direction before cleaning.
- Avoid using excessive force when cleaning to prevent damage to the rifle bore.
- Do not immerse the brush in solvents or chemicals unless specified by the manufacturer.
- Always clean the brush after each use to maintain its effectiveness and longevity.

Instructions for Installation and Usage

• Installation:

1. Select the correct bore brush size for your rifle caliber.
2. Attach the bore brush to a compatible cleaning rod with the appropriate threading (540 for .17 and .20 caliber; 832 for all others).
3. Ensure that the brush is securely fastened to prevent it from detaching during use.

• Usage:

1. Insert the bore brush into the rifle barrel from the chamber end.
2. Gently push the brush through the barrel, allowing it to scrub the bore thoroughly.
3. Pull the brush back out of the barrel; do not twist or force it.
4. Repeat the process as necessary until the bore is clean.
5. After use, clean the bore brush with warm water and mild soap, then dry thoroughly before storage.

Disposal Instructions

- Dispose of the bore brush in accordance with local regulations.
- Do not dispose of the brush in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling the brush if possible, following local guidelines for metal products.
