Safety Instruction Guide for STANDARD LINE BRONZE BORE BRUSHES FOR RIFLE

Introduction

Thank you for choosing the STANDARD LINE BRONZE BORE BRUSHES FOR RIFLE. This guide provides important safety information and instructions to ensure the safe and effective use of the product. Please read this guide thoroughly before using the bore brushes.

General Safety Guidelines

- Ensure that the bore brushes are used only for their intended purpose.
- Always inspect the brushes for damage before use. Do not use if any part is broken or worn.
- Keep the brushes out of reach of children and vulnerable individuals.
- Follow all local regulations regarding the use and disposal of cleaning materials.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the bore brushes.
- Avoid prolonged exposure to cleaning solvents or chemicals that may be used in conjunction with the brushes.
- Do not force the brush into the bore. Use gentle, even pressure to avoid damaging the barrel.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the bore brush.
- Do not use the bore brushes on firearms that are not compatible with the specified caliber.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and in a safe position.
- Gather necessary cleaning materials, including cleaning solvent and a cleaning rod.

2. Installation:

- Attach the bore brush to the cleaning rod. Ensure it is securely fastened.
- For .17 and .20 caliber firearms, use the appropriate thread size (540). For all others, use the 832 thread.

3. Usage:

- Apply a small amount of cleaning solvent to the bore brush.
- Insert the bore brush into the firearm's bore gently, ensuring it is aligned properly.
- Pull the brush through the bore in a smooth motion. Repeat as necessary for thorough cleaning.
- After use, remove the bore brush and clean it with solvent to remove any residue.

4. PostUsage:

- Inspect the bore brush for wear and tear. Dispose of it if damaged.
- Store the bore brushes in a dry, safe place away from children.

Disposal Instructions

- Dispose of used bore brushes according to local regulations regarding hazardous materials and cleaning supplies.
- Ensure that any cleaning solvents used are also disposed of in a safe and environmentally friendly manner.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the contact details provided on the packaging or visit the manufacturer's website. It is important to have access to support for any questions or concerns you may have regarding the use of the bore brushes.

By following these guidelines, you can ensure a safe and effective cleaning experience with your STANDARD LINE BRONZE BORE BRUSHES FOR RIFLE. Thank you for prioritizing safety and responsible usage.
