# Safety Instruction Guide for STANDARD LINE BRONZE BORE BRUSHES FOR RIFLE

## Introduction

Thank you for choosing the STANDARD LINE BRONZE BORE BRUSHES FOR RIFLE. This guide provides essential safety instructions to ensure the safe use of this product. Please read this document carefully before using the bore brushes to understand their proper handling and maintenance.

## General Safety Guidelines

- Ensure that the bore brush is used only for its intended purpose, which is cleaning rifle barrels.
- Always inspect the bore brush for any signs of damage or wear before use.
- Store the bore brushes in a dry place away from moisture to prevent rust and degradation.
- Keep the bore brushes out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Always wear safety goggles when using the bore brush to protect your eyes from debris.
- Use the bore brush with a cleaning rod designed for your rifle caliber to avoid damage.
- Do not apply excessive force when using the bore brush; let the brush do the work.
- Ensure the rifle is unloaded and pointed in a safe direction before cleaning.
- Avoid using the bore brush on firearms that are not compatible with the specified caliber.

## Instructions for Installation and Usage

- **Installation:**

1. Select the appropriate bore brush for your rifle caliber.
2. Attach the bore brush to the cleaning rod by screwing it into the rod's threaded end.
3. Ensure the connection is secure before using the brush.

- **Usage:**

1. Insert the bore brush into the rifle barrel from the chamber end.
2. Gently push the brush through the barrel, using a smooth, steady motion.
3. Pull the brush back out of the barrel; do not twist or force it.
4. Repeat as necessary, depending on the level of fouling in the barrel.
5. Clean the bore brush with a solvent and store it properly after use.

## Disposal Instructions

- Dispose of any worn or damaged bore brushes in accordance with local waste disposal regulations.
- Recycle materials where possible. Check local guidelines for recycling metal and plastic components.

## Contact Information for Further Support

For any safety inquiries or support regarding the STANDARD LINE BRONZE BORE BRUSHES FOR RIFLE, please consult the manufacturer's customer service or visit their official website.

Thank you for prioritizing safety while using your bore brushes. Enjoy your cleaning experience!
