# **Safety Instruction Guide for STANDARD LINE BRONZE BORE BRUSHES BROWNELLS 9MM38/357 CALIBER PISTOL BORE BRUSH 3/PACK**

## **Introduction**

Thank you for choosing the STANDARD LINE BRONZE BORE BRUSHES by BROWNELLS. This product is designed to provide effective cleaning for your firearms. It is essential to follow safety guidelines to ensure safe and proper usage. This guide outlines the necessary precautions and instructions to help you use this product safely.

## **General Safety Guidelines**

- Ensure that you are familiar with the operation and maintenance of your firearm before using this product.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when cleaning firearms.
- Keep bore brushes out of reach of children and pets to prevent accidental injury.
- Inspect the bore brush for damage before each use. Do not use if damaged.
- Store the bore brushes in a dry, secure location when not in use.

## **Specific Safety Precautions for Use**

- Use the bore brushes only for their intended purpose—cleaning the bore of firearms.
- Do not force the brush into the bore. Use gentle pressure to avoid damaging the firearm.
- Ensure the firearm is unloaded before using the bore brush.
- Avoid using excessive force when scrubbing, as this may cause wear to both the brush and the firearm.
- Do not mix bore brushes with other cleaning materials to avoid chemical reactions that may cause damage.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather necessary cleaning supplies, including the bore brush, cleaning rod, and cleaning solvent.

### **2. Installation**

- Attach the bore brush to the cleaning rod using the appropriate threading (540 thread for .17 caliber, 832 thread for all others).
- Ensure the brush is securely fastened to the rod before use.

### **3. Usage**

- Apply a small amount of cleaning solvent to the bore brush.
- Insert the bore brush into the barrel from the chamber end.
- Gently push the brush through the bore, using a twisting motion to enhance cleaning effectiveness.
- Pull the brush back out of the barrel, taking care not to scrape the barrel's interior.
- Repeat the process as necessary until the bore is clean.
- After use, clean the bore brush with solvent and allow it to dry before storage.

## **Disposal Instructions**

- Dispose of the bore brushes in accordance with local regulations.
- Do not dispose of the brushes in regular household waste if they are contaminated with hazardous materials.
- Consider recycling options if applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of this product, please refer to the manufacturer's website or customer service resources.

By following these guidelines, you can ensure a safe and effective cleaning experience with your STANDARD LINE BRONZE BORE BRUSHES. Thank you for your attention to safety.
