# Safety Instruction Guide for STANDARD LINE BRONZE BORE BRUSHES

## Introduction

Thank you for purchasing the STANDARD LINE BRONZE BORE BRUSHES. This guide provides essential safety information to ensure the safe and effective use of this product. Please read this guide carefully before using the bore brushes to avoid any potential hazards.

## General Safety Guidelines

- Ensure that the bore brushes are used only for their intended purpose.
- Keep the bore brushes out of reach of children and vulnerable individuals.
- Inspect the bore brushes for any damage before each use. Do not use if damaged.
- Store the bore brushes in a dry place, away from direct sunlight and moisture.
- Follow all local regulations regarding the use and disposal of cleaning tools.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using bore brushes.
- Avoid using excessive force when cleaning to prevent damage to the brush or the firearm.
- Do not use the bore brushes on hot surfaces or within the vicinity of open flames.
- Be aware of the cleaning solution you are using and follow the manufacturer's instructions for compatibility with bronze brushes.
- Ensure that the firearm is unloaded and cleared of any ammunition before using the bore brush.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bore brush, cleaning rod, and any cleaning solutions.

### 2. Installation:

- Attach the bore brush to the cleaning rod by screwing it into the appropriate thread.
- Ensure the connection is secure to avoid detachment during use.

### 3. Usage:

- Insert the bore brush into the barrel of the firearm.
- Rotate the brush gently while pushing it through the barrel to ensure thorough cleaning.
- Pull the brush back out of the barrel, avoiding any abrupt movements.
- Repeat the process as necessary, depending on the level of fouling in the barrel.

### 4. PostUse:

- Clean the bore brush with a suitable solvent to remove any residue.
- Dry the bore brush thoroughly before storing it.

## **Disposal Instructions**

- Dispose of any worn or damaged bore brushes in accordance with local waste disposal regulations.
- Do not dispose of the bore brushes in regular household waste if they contain hazardous materials.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the STANDARD LINE BRONZE BORE BRUSHES, please refer to the manufacturer's contact information provided on the packaging or product insert. Ensure that you have the product details ready for efficient assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your STANDARD LINE BRONZE BORE BRUSHES. Thank you for prioritizing safety and responsible use.
