

# STANDARD LINE NYLON HANDGUN BORE BRUSHES - BROWNELLS

## STANDARD LINE BRUSH, NYLON, .17 CALIBER PISTOL, 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Nylon Bore Brush - New generation bore cleaners attack copper and bronze-based bullet jacket fouling aggressively and are just as hard on bronze cleaning brushes. Our nylon brushes stand up to these super cleaners and won't cause accuracy-ruining scratches. One-piece, looped and wound steel shanks (except Black Powder (BP) series, .17 caliber, and .20 caliber, which have brass shanks). SPECS: Bristles: Available in nylon. Shank: Steel, looped and wound. Overall Length: 2-1/8 (5.4cm) Thread: 17 caliber 5-40 thread, all others 8-32 thread

# Safety Instruction Guide for STANDARD LINE NYLON HANDGUN BORE BRUSHES

## Introduction

Thank you for choosing the STANDARD LINE NYLON HANDGUN BORE BRUSHES by BROWNELLS. This guide provides essential safety instructions and guidelines to ensure safe and effective use of this product. Please read this guide thoroughly before using the bore brushes.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose: cleaning handgun bores.
- Always keep the bore brushes out of reach of children and vulnerable individuals.
- Inspect the brushes before each use for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use protective eyewear when cleaning firearms to prevent injury from flying debris.
- Avoid using excessive force when inserting or removing the bore brush from the firearm to prevent damage.
- Do not use the bore brush with any cleaning solvents that are not recommended by the manufacturer.
- Ensure that the firearm is unloaded before using the bore brush.
- Use the bore brush in a wellventilated area to avoid inhaling any harmful fumes from cleaning agents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded and pointed in a safe direction.
- Gather necessary cleaning supplies, including the bore brush, cleaning rod, and suitable cleaning solvent.

### 2. Installation:

- Attach the bore brush to the cleaning rod by threading it securely onto the rod's end.
- Ensure that the connection is tight to prevent the brush from detaching during use.

### 3. Usage:

- Apply a small amount of cleaning solvent to the bore brush.
- Insert the bore brush into the firearm's barrel gently.
- Rotate the brush as you push it through the barrel to effectively clean the bore.
- Pull the brush back out of the barrel gently. Do not force it.
- Repeat the process as necessary, depending on the level of fouling in the bore.

### 4. PostUse:

- After cleaning, remove the bore brush from the cleaning rod and rinse it with water (if applicable) to remove any cleaning solvent.
- Allow the brush to dry completely before storing.

## **Disposal Instructions**

- Dispose of the bore brushes in accordance with local regulations regarding waste disposal.
- Do not dispose of the brushes in regular household waste if they are contaminated with hazardous materials.
- Consider recycling options if available.

## **Contact Information for Further Support**

For any inquiries or additional support regarding the use of the STANDARD LINE NYLON HANDGUN BORE BRUSHES, please refer to the manufacturer's contact information provided on the product packaging or visit the official website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your STANDARD LINE NYLON HANDGUN BORE BRUSHES. Thank you for prioritizing safety and proper maintenance of your firearms.
