

# WOOL BORE MOPS - WOOL BORE MOP 7MM-30 CALIBER 12 PACK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Mops](#)

## Pure, Natural

A classic favorite for gun cleaning; virgin wool mop holds lots of bore cleaner or oil, so both ends of the barrel get thoroughly coated. The natural spring of wool helps the mop conform easily to rifling grooves; the looped and twisted brass shank and coupling won't scratch the bore.

## Attributes

- Name: [WOOL BORE MOP 7MM-30 CALIBER 12 PACK](#)
- Manufacturer: [BROWNELLS](#)

# Safety Instruction Guide for WOOL BORE MOPS

## Introduction

Thank you for choosing the WOOL BORE MOPS 7MM30 CALIBER 12 PACK. This product is designed for effective gun cleaning and maintenance. To ensure safe and effective use, please read this safety instruction guide carefully. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers and promote safe usage.

## General Safety Guidelines

- Ensure that you use this product only for its intended purpose, which is cleaning gun barrels.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bore mops for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek appropriate remedies.
- Always follow local laws and regulations regarding gun maintenance and cleaning.

## Specific Safety Precautions for Use

- Use the bore mop with care to avoid injury or accidents.
- Do not use the bore mop with harsh chemicals or solvents that are not recommended for gun cleaning.
- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Avoid using excessive force when inserting or removing the mop from the bore.
- Do not leave the bore mop unattended while in use.
- Store the bore mops in a dry and safe place after use to prevent damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe position.
- Gather all necessary cleaning supplies, including bore cleaner or oil.

### 2. Installation:

- Attach the bore mop to the cleaning rod using the 832 thread (or 540 thread for .17 cal).
- Ensure that the connection is secure to prevent the mop from detaching during use.

### 3. Usage:

- Apply the bore cleaner or oil to the wool mop generously.
- Insert the mop into the bore gently, ensuring it conforms to the rifling grooves.
- Pull the mop through the barrel slowly and steadily, allowing it to clean effectively.
- Repeat as necessary, using a clean mop if the bore appears heavily soiled.
- After cleaning, remove the mop from the bore carefully.

### 4. PostUsage:

- Clean the bore mop according to the manufacturer's instructions to prolong its life.
- Store the mop in a safe and dry location.

## Disposal Instructions

- Dispose of any used or damaged bore mops in accordance with local waste disposal regulations.

- Do not dispose of the product in regular household waste if local regulations require special disposal methods for cleaning materials.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the WOOL BORE MOPS, please refer to the product packaging for further support options. It is important to stay informed about recall updates and safety notices related to this product.

By following these safety instructions, you can ensure a safe and effective experience when using the WOOL BORE MOPS. Thank you for your attention to safety!
