

# WOOL BORE MOPS - BROWNELLS WOOL BORE MOP 35-38 CALIBER 12 PACK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Mops](#)

## Pure, Natural

A classic favorite for gun cleaning; virgin wool mop holds lots of bore cleaner or oil, so both ends of the barrel get thoroughly coated. The natural spring of wool helps the mop conform easily to rifling grooves; the looped and twisted brass shank and coupling won't scratch the bore.

## Attributes

# WOOL BORE MOPS BROWNELLS 3538 CALIBER Safety Instruction Guide

## Introduction

Thank you for choosing the WOOL BORE MOPS BROWNELLS 3538 CALIBER. This product is designed for effective gun cleaning and maintenance. To ensure safe and proper use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Use in a wellventilated area to avoid inhalation of cleaning agents.
- Wear appropriate personal protective equipment, such as gloves and safety goggles, when using bore cleaners or oils.
- Be aware of your surroundings and ensure that firearms are handled safely and responsibly.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before cleaning.
- Avoid using excessive force when inserting the bore mop into the barrel to prevent damage.
- Do not leave the bore mop in the barrel for extended periods.
- Use only approved bore cleaners or oils to avoid chemical reactions with the materials of the bore mop.
- Dispose of used cleaning materials in accordance with local regulations.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the WOOL BORE MOP, bore cleaner or oil, and any other tools you may need.

### 2. Installation:

- Attach the WOOL BORE MOP to the cleaning rod by screwing it onto the rod's threaded end (832 thread for rifle/pistol mops and 5/16"27 thread for shotgun mops).
- Ensure it is securely fastened before proceeding.

### 3. Usage:

- Apply a small amount of bore cleaner or oil to the wool mop.
- Insert the mop gently into the barrel from the chamber end, ensuring it conforms to the rifling grooves.
- Pull the mop through the barrel in a smooth motion, cleaning the bore thoroughly.
- Repeat as necessary, applying more cleaner or oil as needed.
- After cleaning, remove the mop from the barrel and detach it from the cleaning rod.

### 4. PostCleaning:

- Inspect the bore mop for wear and replace it if necessary.

- Clean and store the mop in a dry place to prevent deterioration.

## **Disposal Instructions**

- Dispose of used bore mops and cleaning materials in accordance with local waste disposal regulations.
- Do not dispose of cleaning agents or oils down drains or in the environment.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the WOOL BORE MOPS BROWNELLS 3538 CALIBER, please contact your local distributor or retailer for assistance.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your WOOL BORE MOPS BROWNELLS 3538 CALIBER. Always prioritize safety and proper handling when using cleaning products for firearms.
