

# WOOL BORE MOPS - WOOL BORE MOP 44-45 CALIBER 3 PACK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Mops](#)

## Pure, Natural

A classic favorite for gun cleaning; virgin wool mop holds lots of bore cleaner or oil, so both ends of the barrel get thoroughly coated. The natural spring of wool helps the mop conform easily to rifling grooves; the looped and twisted brass shank and coupling won't scratch the bore.

## Attributes

- Name: [WOOL BORE MOP 44-45 CALIBER 3 PACK](#)

# WOOL BORE MOPS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Wool Bore Mops for your gun cleaning needs. This product is designed to provide effective cleaning for both rifles and handguns. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before using the Wool Bore Mop.
- Keep the cleaning area wellventilated to avoid inhalation of cleaning chemicals.
- Store the Wool Bore Mops in a dry place away from children and pets.
- Use personal protective equipment (PPE) such as gloves and safety glasses when handling cleaning chemicals.
- Always follow the manufacturer's instructions for any cleaning products used in conjunction with the Wool Bore Mop.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the Wool Bore Mop is suitable for the caliber of your firearm before use.
- Inspect the mop for any damage or wear before each use. Do not use if damaged.
- Avoid excessive force when cleaning to prevent damage to the bore or the mop itself.
- Do not use the Wool Bore Mop on firearms that are not designed for cleaning with mops.
- Keep the mop away from open flames or high heat sources, as cleaning agents may be flammable.

## Instructions for Installation and Usage

### 1. Preparation:

- Make sure your firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the Wool Bore Mop and bore cleaner or oil.

### 2. Attaching the Mop:

- Screw the Wool Bore Mop onto the appropriate cleaning rod or handle. Ensure it is securely attached.

### 3. Applying Cleaner:

- Apply a small amount of bore cleaner or oil to the mop. Do not oversaturate.
- Ensure that the cleaner is suitable for use with your specific firearm.

### 4. Cleaning the Bore:

- Insert the mop into the bore from the chamber end (if applicable).
- Gently pull the mop through the bore, allowing it to conform to the rifling grooves.
- Repeat this process as necessary, ensuring both ends of the barrel are thoroughly coated.

### 5. PostCleaning:

- After cleaning, remove the mop and inspect it for any signs of wear or damage.
- Clean the mop as per the manufacturer's instructions and allow it to dry completely before storage.

## Disposal Instructions

- Dispose of used Wool Bore Mops in accordance with local regulations.
- Do not dispose of cleaning chemicals in regular household waste. Follow local guidelines for hazardous waste disposal.

## Contact Information for Further Support

For any inquiries regarding the Wool Bore Mops or safety concerns, please refer to the manufacturer's contact details provided on the packaging or the official website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Wool Bore Mops. Thank you for your attention to these important guidelines.
