

STANDARD LINE NYLON SHOTGUN BORE BRUSHES - STANDARD LINE BRUSH, NYLON, .410 BORE SHOTGUN, 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Nylon Bore Brush - New generation bore cleaners attack copper and bronze-based bullet jacket fouling aggressively and are just as hard on bronze cleaning brushes. Our nylon brushes stand up to these super cleaners and won't cause accuracy-ruining scratches. One-piece, looped and wound steel shanks SPECS: Available in nylon. Shank: Steel, looped and wound Overall length: 2-7/8" (7.3cm) Threads: 5/16"-27 male

Safety Instruction Guide for STANDARD LINE NYLON SHOTGUN BORE BRUSHES

Introduction

Thank you for choosing the STANDARD LINE NYLON SHOTGUN BORE BRUSHES. This product is designed for effective cleaning of shotgun bores, specifically for .410 caliber shotguns. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always use the bore brush in accordance with the manufacturer's instructions.
- Inspect the bore brush before each use for any signs of damage or wear.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Do not use the bore brush for any purpose other than intended cleaning of shotgun bores.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the shotgun is unloaded before using the bore brush.
- Use protective eyewear to guard against potential debris when cleaning.
- Avoid using excessive force when cleaning to prevent damage to the bore or brush.
- Do not attempt to modify or alter the bore brush in any way.
- If you experience any adverse reactions (e.g., skin irritation) while using the product, discontinue use immediately and seek medical advice.

Instructions for Installation and Usage

1. Preparation:

- Ensure the shotgun is completely unloaded.
- Gather all necessary cleaning supplies, including the bore brush and cleaning rod.

2. Installation:

- Attach the bore brush to the cleaning rod securely.
- Ensure that the threads on the bore brush and cleaning rod are clean and free of debris.

3. Usage:

- Insert the bore brush into the shotgun bore gently.
- Rotate the brush as you push it through to ensure thorough cleaning.
- Pull the brush back out of the bore, taking care not to scratch the interior surface.
- Repeat the process as necessary, depending on the level of fouling.

4. PostCleaning:

- Rinse the bore brush with clean water and allow it to dry completely.
- Store the bore brush in a dry, safe place away from children.

Disposal Instructions

- Dispose of the bore brush in accordance with local regulations.
- Do not dispose of the bore brush in regular household waste if it is damaged or worn beyond use.

Contact Information for Further Support

For any questions or concerns about the STANDARD LINE NYLON SHOTGUN BORE BRUSHES, please reach out to your local distributor or refer to the product packaging for further instructions.

Thank you for your attention to these safety guidelines. Enjoy safe and effective cleaning of your shotgun!
