

# HEAVY WEIGHT NYLON CENTERFIRE RIFLE BORE BRUSH - 54 CAL BLACK POWDER HEAVY WEIGHT NYLON RIFLE BRUSH 3/PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Super-aggressive, nylon brush makes short work of stubborn bore deposits. Extra-stiff, large diameter bristles are safe on rifling and smoothbore surfaces. Won't deteriorate when used with your favorite solvent. Strong, one-piece, looped and wound brass shank and coupling prevents scratching. SPECS:  
Bristles: Heavy weight (HW) nylon. Shank: Brass, looped and wound. Overall Length: 3.26" (8.3cm) Thread: 8-32 male

# HEAVY WEIGHT NYLON CENTERFIRE RIFLE BORE BRUSH 54 CAL BLACK POWDER

## Introduction

Thank you for choosing the Heavy Weight Nylon Centerfire Rifle Bore Brush. This product is designed to help you maintain your firearm by effectively cleaning the bore. Please read this safety instruction guide carefully to ensure safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always use this product in accordance with the manufacturer's instructions.
- Ensure that the area you are working in is wellventilated to avoid inhaling any cleaning solvents.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Do not use the brush for any purpose other than cleaning the bore of firearms.
- Regularly inspect the brush for wear and tear; replace if damaged.
- Report any unsafe conditions or accidents to relevant authorities.

## Specific Safety Precautions for Use

- The bristles are made of heavy weight nylon; ensure they are not used on surfaces that may be damaged.
- Avoid using excessive force while cleaning, as this may lead to damage to the bore or the brush.
- Do not use the brush with solvents that are not compatible with nylon, as this may cause deterioration.
- Always ensure that the firearm is unloaded and pointed in a safe direction before using the brush.
- Wear appropriate protective gear, such as gloves and safety goggles, when using cleaning solvents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary cleaning solvents and protective gear.

### 2. Attaching the Brush:

- Screw the brush onto a compatible cleaning rod with an 832 male thread.
- Ensure the brush is securely attached before use.

### 3. Cleaning the Bore:

- Apply an appropriate cleaning solvent to the brush.
- Insert the brush into the bore and use a backandforth motion to clean.
- Use gentle pressure to avoid damaging the bore or the brush.

### 4. PostCleaning:

- After cleaning, remove the brush from the bore.
- Rinse the brush with warm water and allow it to dry completely.
- Store the brush in a dry place, away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of any worn or damaged brushes in accordance with local waste disposal regulations.
- Do not dispose of the brush in regular household waste if it contains hazardous materials.

## Contact Information for Further Support

For any inquiries regarding the safety or use of this product, please contact the manufacturer or an authorized representative in your region. Always refer to the product packaging for specific contact details.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective cleaning experience with your Heavy Weight Nylon Centerfire Rifle Bore Brush. Thank you for prioritizing safety and proper maintenance in your firearm care.
