

HEAVY WEIGHT NYLON SHOTGUN BORE BRUSHES - HEAVY WEIGHT BRUSH, NYLON, 10 GAUGE SHOTGUN, 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Super-aggressive, nylon brush makes short work of stubborn bore deposits. Extra-stiff, large diameter bristles are safe on rifling and smoothbore surfaces. Won't deteriorate when used with your favorite solvent. Strong, one-piece, looped and wound brass shank and coupling prevents scratching. SPECS: Bristles: Heavy weight (HW) nylon. Shank: Brass, looped and wound. Overall Length: 2 7/8" (7.3cm) Thread: 5/16"-27 male

Safety Instruction Guide for HEAVY WEIGHT NYLON SHOTGUN BORE BRUSHES

Introduction

Thank you for choosing the HEAVY WEIGHT NYLON SHOTGUN BORE BRUSHES. This product is designed to assist you in maintaining your shotgun by effectively cleaning the bore. To ensure your safety and the proper use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Keep the bore brushes out of reach of children and vulnerable individuals.
- Always wear appropriate eye protection when cleaning firearms.
- Check the product for any visible damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

Specific Safety Precautions for Use

- Use the bore brush only for its intended purpose: cleaning shotgun bores.
- Avoid using excessive force when cleaning to prevent damage to the bore or brush.
- Do not use the bore brush if it becomes frayed or worn.
- Ensure that the shotgun is unloaded and pointed in a safe direction before cleaning.
- Avoid contact with solvents or chemicals that may be harmful to your health. Always use in a wellventilated area.
- Dispose of any cleaning materials safely and according to local regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure the shotgun is completely unloaded.
- Gather all necessary cleaning supplies, including the bore brush, cleaning rod, and solvent.

2. Attaching the Bore Brush:

- Screw the brass shank of the bore brush onto the cleaning rod until secure.

3. Cleaning the Bore:

- Apply your preferred solvent to the bore brush.
- Insert the bore brush into the shotgun's chamber and push it through the bore.
- Pull the brush back out and repeat as necessary until the bore is clean.
- Use a clean patch or cloth to wipe down the bore after brushing.

4. PostCleaning:

- Inspect the bore brush for any signs of wear or damage.
- Clean the bore brush with solvent and store it in a dry place.

Disposal Instructions

- Dispose of the bore brush responsibly when it is worn out or damaged.

- Check local regulations for proper disposal methods for cleaning materials and solvents.
- Do not dispose of the product in regular household waste. Follow any recycling programs available in your area.

Contact Information for Further Support

For any inquiries regarding the HEAVY WEIGHT NYLON SHOTGUN BORE BRUSHES, please refer to the manufacturer's contact information provided on the packaging or product insert.

By following these guidelines, you can ensure safe and effective use of your HEAVY WEIGHT NYLON SHOTGUN BORE BRUSHES. Thank you for your attention to these important safety instructions.
