Safety Instruction Guide for 1911 Solid Barrel Bushing Ed Brown Commander Barrel Bushing

Introduction

Thank you for choosing the 1911 Solid Barrel Bushing Ed Brown Commander Barrel Bushing. This product is designed for precision and durability, ensuring a secure fit for your firearm. To ensure your safety and the safe operation of this product, please read and follow the guidelines outlined in this manual.

General Safety Guidelines

- Ensure that the firearm is unloaded before installing or handling the barrel bushing.
- Always wear appropriate safety gear, including eye protection, when working with firearms.
- Keep this product out of reach of children and unauthorized individuals.
- Regularly check for wear and tear on the barrel bushing, and replace it if any damage is observed.
- Be aware of your surroundings and ensure that you are in a safe environment when using firearms.

Specific Safety Precautions for Use

- Only use the barrel bushing with compatible firearms, specifically Colt slides and Ed Brown barrels.
- If using other brands, minor fitting may be required; consult a professional gunsmith if unsure.
- Do not attempt to modify the barrel bushing beyond the specified O.D. and I.D. measurements.
- Ensure that the barrel bushing is properly seated and secured before firing the firearm.
- Always follow the manufacturer's instructions for the specific firearm model you are using.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded.
- Gather necessary tools, including a wrench and any fitting tools if required.

2. Installation Steps

- Remove the existing barrel bushing from the firearm, if applicable.
- For DropIn models:
 - Align the new barrel bushing with the slide and gently push it into place.
 - Ensure a close fit; no additional fitting should be necessary with Ed Brown barrels and Colt slides.
- For Oversize models:
 - Measure the O.D. and I.D. to confirm they meet specifications.
 - Use appropriate tools to turn the O.D. and ream the I.D. for a match fit.
- Doublecheck that the barrel bushing is securely installed.

3. Usage

- After installation, perform a function check to ensure that the barrel bushing operates correctly with the firearm.
- Regularly inspect the barrel bushing for any signs of wear or damage during routine maintenance.

Disposal Instructions

- Dispose of the barrel bushing in accordance with local regulations.
- Do not dispose of in household waste.
- If the product is damaged or no longer usable, contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Solid Barrel Bushing Ed Brown Commander Barrel Bushing, please refer to the manufacturer's contact information, which can be found on the packaging or the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure the safe use and longevity of your 1911 Solid Barrel Bushing Ed Brown Commander Barrel Bushing. Always prioritize safety and consult professionals when in doubt. Thank you for your attention to these important safety guidelines.
