This Ed Brown 1911 Government Model Slide comes with the unique feature of being pre-cut for Trijicon RMR Mounts with Integrated Sights (Brownells SKU 892-000-174). By including this cut, the slide allows for a simple installation of the sight assembly & RMR optic. Other 1911 mounting options require an unsightly mount placed in the rear sight cut or sit high on the slide. Also, the Ed Brown 1911 RMR Slide saves time, as no machining of the slide is necessary to install the unique Trijicon mount. The end result is a low profile, rugged, optic & iron sight setup. The slide also features front and rear cocking serrations. Slide is machined from forged stainless steel and is ready for fitting. Uses small diameter 9mm Firing Pin, 087-205-825.

Instructions for Installation and Usage

Installation of the Slide

1. Preparation

- Ensure that the firearm is unloaded.
- Gather the necessary tools for installation, including a small diameter 9mm firing pin.

2. Remove the Old Slide

- Follow the manufacturer's instructions to safely remove the existing slide from the firearm.

3. Install the Ed Brown Slide

- Align the Ed Brown slide with the frame of the firearm.
- Carefully slide it into place, ensuring that all components fit securely.

4. Attach the RMR Optic

- Refer to the RMR optic installation instructions for proper mounting.
- Ensure that the optic is securely fastened and aligned correctly.

5. Final Check

- Inspect the installation to ensure that all components are secure and functioning properly.
- Perform a function check of the firearm to verify that it operates as intended.

Usage Guidelines

- Always maintain proper shooting stance and grip.
- Ensure that the firearm is pointed in a safe direction at all times.
- Control the trigger and avoid placing your finger on it until ready to shoot.
- Be aware of the target and what lies beyond it.
- Follow all local laws regarding the use of firearms and ensure compliance with safety regulations.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the slide or any components become damaged beyond repair, dispose of them responsibly.
- Do not dispose of firearms or firearm components in regular trash. Follow local laws for hazardous waste disposal.
