# Safety Instruction Guide for REMINGTON BOLT ACTION M16 STYLE EXTRACTORS

## Introduction

Thank you for choosing the Remington Bolt Action M16 Style Extractors from Badger Ordnance. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of firearms and have received proper training before using this product.
- Always follow the manufacturer's instructions for your firearm when using extractors.
- Keep this product out of the reach of children and unauthorized users.
- Inspect the extractor regularly for wear or damage. Replace if necessary.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the extractor with compatible firearms and cartridges as specified in the product details.
- Do not attempt to modify the extractor or use it in a way that is not recommended by the manufacturer.
- Be aware that the extractor may not function properly if the cartridge is sticky or damaged.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure the firearm is unloaded before installing or inspecting the extractor.
- Use caution when handling tools during installation to avoid injury.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is completely unloaded.
- Gather necessary tools for installation, including a gunsmithing toolkit.

### 2. Installation Steps

- Remove the existing extractor from the bolt assembly. This may require unscrewing or prying it out carefully.
- Take the new extractor and align it properly with the bolt assembly.
- Insert the roll pin into the extractor and secure it in place.
- Attach the extractor spring to ensure proper tension and functionality.
- Reassemble the bolt assembly and ensure all components are securely fastened.

### 3. PostInstallation Check

- After installation, perform a function check to ensure that the extractor operates correctly.
- Test the extractor with dummy rounds before using live ammunition.

### 4. Usage

- When using the firearm, monitor the extractor's performance, especially if experiencing any feeding issues.

- If a sticky cartridge is encountered, do not force the extractor; instead, seek assistance from a qualified gunsmith.

## **Disposal Instructions**

- Dispose of any old or damaged extractors in accordance with local regulations for hazardous materials.
- Ensure that all components are disposed of safely to prevent environmental harm.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of this product, please refer to the manufacturer's contact details provided with your purchase.

Thank you for prioritizing safety and compliance while using the Remington Bolt Action M16 Style Extractors. Your responsible use contributes to a safer shooting environment.
