

ZP 5 5-25x56 MR5

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Puškohledy ZP disponují 5-násobným zvětšením pro maximální přizpůsobitelnost a přesnost, osvětleným záměrným křížem s jemným stmíváním na 1. ohniskové rovině - 11 nastavení osvětlení, kolečko s možností 2 otáček s rozsahem 28 mrad s nulovým zastavením a viditelnou kontrolkou během druhého otočení, nastavením paralaxy od 50 m do nekonečna.

Model ZP5 5-25x56 představuje puškohled určený na dlouhé vzdálenosti a je ideální v každé situaci, v níž se vyžaduje výjimečné rozlišení detailů a v případě střelby na dlouhé vzdálenosti. Při 5-násobném zvětšení poskytuje nejlepší zorné pole.

NASTAVENÍ paralaxy - od 50 m do nekonečna
nastavení integrovaného osvětleného záměrného kříže

ČTVERCOVÝ nastavovací OBLAST zaměřovacího KŘÍŽE

Celý rozsah nastavení stranové korekce zůstává zcela bez překážky, i při maximalizaci rozsahu nastavení. Zabraňuje "vyskočení" záměrného kříže z nastavovacího rozsahu.

Safety Instruction Guide for Minox ZP 5 525x56 Rifle Scope

Introduction

Thank you for choosing the Minox ZP 5 525x56 rifle scope. This guide provides essential safety instructions to ensure safe and effective use of your product. Please read and follow these guidelines carefully to maximize your safety and the performance of your rifle scope.

General Safety Guidelines

- Ensure that the rifle scope is used in accordance with local laws and regulations regarding firearms and optics.
- Always handle your rifle and scope with care, treating them as if they are loaded.
- Keep the rifle scope out of reach of children and unauthorized users.
- Regularly inspect the rifle scope for any signs of damage or wear. If any issues are detected, do not use the scope until it has been inspected and repaired by a qualified professional.
- Familiarize yourself with the controls and features of the scope before use.
- Always use the rifle scope in a safe environment, away from crowded areas or potential hazards.

Specific Safety Precautions for Use

- Use appropriate eye protection when using the rifle scope to prevent injury from recoil or debris.
- Never look directly into the sun through the rifle scope as it may cause permanent eye damage.
- Ensure that the rifle scope is properly mounted and secured to the firearm before use.
- Be aware of your surroundings and identify your target and what lies beyond it before firing.
- Use the scope only for its intended purpose, which is to enhance accuracy when shooting at targets.

Instructions for Installation and Usage

Installation

1. Mounting the Scope:

- Select a suitable mounting base for your rifle.
- Securely attach the scope rings to the mounting base, ensuring they are tightened according to the manufacturer's specifications.
- Place the rifle scope into the rings and adjust its position for optimal eye relief.
- Tighten the scope rings to secure the scope in place.

2. Setting Up the Reticle:

- Adjust the reticle according to your shooting preferences and conditions.
- Familiarize yourself with the illumination settings of the MR5 reticle and adjust as necessary for visibility.

Usage

1. Adjusting the Magnification:

- Rotate the magnification ring to select the desired zoom level, from 5x to 25x.
- Ensure that the adjustment is smooth and that the magnification level is clearly visible.

2. Parallax Adjustment:

- Adjust the parallax setting from 50 meters to infinity as needed for your shooting distance.
- Confirm that the adjustment is correctly set to avoid parallax errors.

3. Illumination Settings:

- Use the illumination adjustment to set the brightness of the reticle for different lighting conditions.
- Remember that there are 11 settings available, allowing for finetuning based on your environment.

4. Zeroing the Scope:

- Follow the manufacturer's instructions to zero your rifle scope accurately.
- Make adjustments to the windage and elevation dials as necessary to ensure accuracy.

Disposal Instructions

- Dispose of the rifle scope in accordance with local regulations regarding electronic and optical equipment.
- Do not dispose of the rifle scope in regular household waste.
- If the product is no longer usable, consider returning it to the manufacturer for proper disposal.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's official website or customer service channels.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Minox ZP 5 525x56 rifle scope. Always prioritize safety and responsible usage.
