

GUN CLEANER - BLUE WONDER GUN CLEANER

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Bore Solvents](#)

Deep-Penetration Technology Removes Rust & Fouling; Leaves Steel Squeaky Clean

This fast-working, user-friendly cleaning gel cuts through copper, carbon, and lead fouling in bores, gently removes rust from bluing, and breaks down grease and oil on contact. Use it to clean all your firearms, from muzzleloaders to high-tech tactical weapons. Squeeze a dab onto a bore brush and run it through the bore for a thoroughly clean bore in minutes. Penetrates deep behind black powder corrosion, plastic wad buildup, and stubborn carbon residue to break down oxide molecules that bond lead and copper fouling to the bore. Removes corrosive salts left by military surplus ammo and black powder. Environmentally friendly and biodegradable with a mild scent.

GUN CLEANER BLUE WONDER GUN CLEANER

Safety Instruction Guide

Introduction

Thank you for choosing GUN CLEANER BLUE WONDER GUN CLEANER. This product is designed to effectively clean your firearms while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always use the product in a wellventilated area to avoid inhaling fumes.
- Keep the product out of reach of children and pets.
- Avoid contact with skin and eyes. If contact occurs, rinse immediately with plenty of water.
- Do not ingest the product. If swallowed, seek medical attention immediately.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Dispose of the product according to local regulations.

Specific Safety Precautions for Use

- Wear protective gloves and goggles when handling the product to prevent skin and eye irritation.
- Do not mix this cleaner with other chemicals or cleaners, as this may produce harmful reactions.
- Use only as directed. Do not exceed recommended amounts.
- Ensure that the firearm is unloaded and pointed in a safe direction before applying the cleaner.
- Allow the cleaner to sit on the surface for the recommended time to ensure effective cleaning.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe position.
- Gather necessary equipment: bore brush, gloves, and goggles.

2. Application:

- Squeeze a small amount (dab) of GUN CLEANER onto the bore brush.
- Insert the bore brush into the bore of the firearm.
- Run the brush through the bore several times to ensure thorough cleaning.

3. Cleaning:

- Allow the cleaner to penetrate for a few minutes, especially in areas with heavy fouling.
- Wipe the exterior surfaces with a clean cloth to remove any excess cleaner and residue.

4. PostCleaning:

- Inspect the bore and surfaces for cleanliness.
- Store the firearm safely once cleaning is complete.

Disposal Instructions

- Dispose of any unused product and empty containers according to local waste disposal regulations.
- Do not pour the product down drains or dispose of it in the environment.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the contact information provided with the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy using GUN CLEANER BLUE WONDER GUN CLEANER while ensuring safe practices for yourself and others.
