

# V-TAC ORIGINAL SLING-BLACK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

## Simple One-Hand Operation Changes From Use To Carry

The VTAC Sling is instantly adjustable, allowing you to adjust shooting positions with ease. You can easily move from strong side shoulder to weak side shoulder or secure your carbine during handgun transition. Unlike other slings on the market, the Viking Tactics Sling isn't just a carrying strap. Its full range of adjustability will enhance retention for when you need your hands free. It is also one of the only tactical slings that can be used as an adjustable shooting sling.

# VTAC ORIGINAL SLING Safety Instruction Guide

## Introduction

Thank you for choosing the VTAC ORIGINAL SLING. This guide provides essential safety instructions to ensure the safe and effective use of your sling. Please read this document carefully before use to understand the safety guidelines, precautions, and proper usage of the product.

## General Safety Guidelines

- Ensure that the sling is used only for its intended purpose, which is to support firearms during shooting activities.
- Regularly inspect the sling for wear, damage, or any signs of deterioration. Do not use if any damage is detected.
- Keep the sling out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm use and safety.
- Be aware of your surroundings while using the sling, especially in crowded or public areas.
- Always handle firearms with care and ensure they are pointed in a safe direction when transitioning between shooting positions.

## Specific Safety Precautions for Use

- **Adjustability:** The VTAC Sling is designed for instant adjustability. Ensure that adjustments are made securely to prevent accidental release.
- **Transitioning:** When moving from strong side shoulder to weak side shoulder, ensure that the firearm is secured and pointed in a safe direction.
- **Handgun Transition:** Secure your carbine properly before transitioning to a handgun to avoid accidents.
- **Retention:** Make sure the sling is adjusted to enhance retention when handsfree operation is needed. This will help prevent the firearm from dropping.
- **Sling Material:** The sling is made from durable nylon. Avoid exposing it to harsh chemicals or extreme conditions that could compromise its integrity.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the attachment points on your firearm where the sling will be connected.
- Attach the sling to the designated points securely, ensuring that it is fastened properly.
- Adjust the length of the sling to suit your shooting style and comfort.

### 2. Usage:

- To adjust the sling length, pull the adjustment strap to either tighten or loosen the sling as needed.
- When transitioning between shoulders, release the sling from the current position and adjust it accordingly to the new shoulder.
- Always maintain a firm grip on your firearm and ensure it is secure in the sling during movement.

## Disposal Instructions

- When the sling reaches the end of its useful life or is damaged beyond repair, dispose of it in accordance with local waste management regulations.
- Do not dispose of the sling in regular recycling bins; consult with local authorities for appropriate disposal methods.

## **Contact Information for Further Support**

For any inquiries or additional support regarding the VTAC ORIGINAL SLING, please reach out to the designated contact point provided with your product. This ensures compliance with the EU General Product Safety Regulation (GPSR) and provides you with the necessary assistance for safe usage.

By following these safety instructions, you can ensure a safe and effective experience with your VTAC ORIGINAL SLING. Thank you for prioritizing safety in your shooting activities.
