# Safety Instruction Guide for AR15 Accessory Light Mount

## Introduction

Thank you for choosing the AR15 Accessory Light Mount. This product is designed to securely attach lights, lasers, and other accessories to your AR15 firearm. To ensure safe and effective use, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Always handle firearms and accessories with care and respect.
- Ensure that the AR15 Accessory Light Mount is compatible with your firearm before installation.
- Regularly inspect the light mount for any signs of wear or damage.
- Use the product only for its intended purpose.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the light mount.
- Do not overtighten the screws during installation, as this may damage the mount or the firearm.
- Avoid placing the light mount near hot surfaces or sources of ignition.
- Use caution when attaching or detaching accessories from the mount to prevent accidental discharge of the firearm.
- Be aware of your surroundings and ensure that the area is safe when using the firearm with the mounted accessories.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your AR15 is unloaded and safe.
- Gather necessary tools: a screwdriver suitable for the screws provided.

### 2. Installation Steps

- Identify the front sight base on your AR15.
- Position the AR15 Accessory Light Mount on either side of the front sight base.
- Align the mount with the Picatinny rails.
- Secure the mount by tightening the screws until snug, but do not overtighten.

### 3. Usage Instructions

- Attach your light, laser, or accessory to the Picatinny rails on the mount.
- Ensure that all accessories are securely fastened before use.
- Regularly check the tightness of the mount and accessories during use.

## Disposal Instructions

- Dispose of the AR15 Accessory Light Mount in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling materials where possible.

## **Contact Information for Further Support**

For safety inquiries or additional support, please contact the manufacturer or refer to the product packaging for further details.

By following these guidelines, you can help ensure a safe and enjoyable experience with your AR15 Accessory Light Mount. Always prioritize safety and be aware of your surroundings when handling firearms and accessories. Thank you for your attention to these important safety instructions.
