

FIBER OPTIC SIGHT RODS - MOUNTING SOLUTIONS PLUS .040" MILITARY ROD, 3-PACK

[Handgun Parts](#) > [Sights](#) > [Sight Parts](#) > [Replacement Sight Inserts](#)

Restores Your Fiber Optic Sight's Bright, Glowing Dot

Optical-grade, acrylic rods replace lost or broken rods on popular fiber optic sights. Gathers and funnels natural sunlight to produce a bright, luminous dot that quickly draws your eyes to the front sight so you get on target fast. Pak includes one each: red, green, and amber fiber optic rods. Available in four diameters to fit most fiber optic sights. .060" diameter rod fits most shotgun sights and .125" wide pistol sights. .040" fits most rifle and some shotgun sights, plus .090" wide pistol sights. .030" and .020" rods fit competition-style, rifle sights.

Safety Instruction Guide for FIBER OPTIC SIGHT RODS MOUNTING SOLUTIONS PLUS .040" MILITARY ROD, 3PACK

Introduction

Thank you for choosing the FIBER OPTIC SIGHT RODS MOUNTING SOLUTIONS PLUS .040" MILITARY ROD, 3PACK. This product is designed to enhance your shooting experience by providing bright, luminous sights. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with these safety guidelines.
- Always inspect the product for damage before use. Do not use if any parts are broken or missing.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury or misuse.
- Use the product in a safe environment, free from distractions and hazards.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The acrylic rods can break if subjected to excessive force or impact. Handle with care.
- The rods can create sharp edges if broken. Avoid contact with broken pieces.

- **Avoiding Hazards:**

- Do not expose the rods to extreme temperatures, chemicals, or direct sunlight for prolonged periods.
- Use protective eyewear when installing or handling the rods to prevent injury from accidental breakage.

- **AgeSpecific Warnings:**

- This product is not suitable for children under 12 years of age without adult supervision.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that your fiber optic sight is clean and free of debris.
2. Remove the existing rod (if applicable) by gently pulling it out of the sight.
3. Select the appropriate diameter rod from the pack (.060", .040", .030", or .020").
4. Insert the new rod into the sight, ensuring it fits snugly and securely.
5. Check that the rod is properly aligned and does not obstruct your view.

- **Usage:**

- Use the red, green, or amber rods based on your preference for visibility in different lighting conditions.

- Regularly check the rods for signs of wear or damage, and replace them as necessary.
- Always ensure that the sight is properly calibrated for accurate aiming.

Disposal Instructions

- Dispose of any broken or unusable rods in accordance with local waste disposal regulations.
- Do not throw the rods into regular household waste. Instead, consider recycling options if available.
- Ensure that all parts of the product are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any inquiries regarding the product or safety concerns, please refer to the product packaging for contact information or consult the manufacturer's website for assistance.

Thank you for following these safety guidelines. Enjoy using your FIBER OPTIC SIGHT RODS MOUNTING SOLUTIONS PLUS .040" MILITARY ROD, 3PACK safely and effectively!
