

S&W REVOLVER RIMZ SPEEDLOADER - 625 SPEEDLOADER, 5-PAK

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Moonclips](#)

Long Lasting, Polymer Moon Clips Load & Unload With Just Your Fingertips

Flexible, molded-polymer, moon clips provide a means of ejecting rimless cartridges from early and late model Smith & Wesson revolvers. High-strength, hydrocarbon polymer won't rust, break or deform; fires 300-400+ rounds before requiring replacement. Loads easily by hand without the need for special tools or costly equipment. Keeps empties together, too. RIMZ 625 fits S&W M625-4 and newer revolvers in .45 ACP. RIMZ 25 fits S&W M1917, M25 and M625-3 and earlier in .45 ACP.

S&W REVOLVER RIMZ SPEEDLOADER 625

SPEEDLOADER Safety Instruction Guide

Introduction

Thank you for choosing the S&W Revolver RIMZ Speedloader 625 Speedloader. This product is designed to enhance your shooting experience by providing a reliable means of ejecting rimless cartridges from your Smith & Wesson revolver. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this manual.

General Safety Guidelines

- Always handle firearms with care and ensure they are pointed in a safe direction.
- Keep the speedloader and cartridges out of reach of children and unauthorized users.
- Regularly inspect the speedloader for any signs of wear or damage.
- Do not use the speedloader with incompatible revolver models or cartridges.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Ensure the revolver is unloaded before attempting to load or unload cartridges using the speedloader.
- Do not force the speedloader into the revolver; it should fit snugly without excessive pressure.
- Avoid using the speedloader if it shows signs of cracking, warping, or other damage.
- Use only the specified RIMZ models for your revolver:
 - RIMZ 625 for S&W M6254 and newer revolvers in .45 ACP.
 - RIMZ 25 for S&W M1917, M25, and M6253 and earlier in .45 ACP.
- Do not attempt to modify the speedloader in any way.

Instructions for Installation and Usage

1. Loading the Speedloader:

- Hold the speedloader in one hand.
- Insert the rimless cartridges into the moon clips, ensuring they are seated properly.
- Make sure that the cartridges are oriented in the correct direction for loading into the revolver.

2. Using the Speedloader with Your Revolver:

- Ensure the revolver is pointed in a safe direction.
- Open the cylinder of the revolver.
- Align the speedloader with the cylinder and gently press it into place.
- Release the cartridges by pressing the release button or lever, depending on your revolver model.
- Close the cylinder securely before firing.

3. Unloading the Speedloader:

- When finished shooting, open the cylinder of the revolver.
- Use the speedloader to eject the spent cartridges by pressing the release mechanism.
- Safely dispose of the spent cartridges according to local regulations.

Disposal Instructions

- Dispose of the speedloader in accordance with local waste management regulations.
- Do not dispose of the speedloader in regular household waste if it is damaged or worn.
- Recycle the speedloader if possible, as it is made from hydrocarbon polymer.

Contact Information for Further Support

For any safety inquiries or concerns regarding the S&W Revolver RIMZ Speedloader, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website for additional resources.

Conclusion

Your safety is our priority. By following these guidelines, you can help ensure a safe and enjoyable experience with your S&W Revolver RIMZ Speedloader 625 Speedloader. Always stay informed about best practices for firearm safety and product usage. Thank you for your attention to these important safety instructions.
