

# M16/AR-15 TAKEDOWN TOOLS - SPORTING CONVERSIONS KEY RING PUSHTOOL

[Gunsmith Tools & Supplies](#) > [Rifle Tools](#) > [Pin Tools](#)

## Convenient Tools Remove Takedown Pins & Mag Catch Quickly

High-impact plastic tools drive out the front and rear takedown pins or help get the magazine catch out from your M16/AR-15 without scratching or marring the metal. Pushtool for the takedown pins comes in two versions: a bench model or a handy key ring model. Magcatch tool compresses the spring to make removal of the magazine catch easier.

## Attributes

# M16/AR15 Takedown Tools Safety Instruction Guide

## Introduction

Thank you for choosing the M16/AR15 Takedown Tools by Sporting Conversions. These highimpact plastic tools are designed to assist in the safe and effective disassembly of your M16/AR15 firearm. This guide provides essential safety instructions, usage guidelines, and disposal instructions to ensure your safety and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the tools are used only for their intended purpose.
- Always keep tools out of reach of children and vulnerable individuals.
- Inspect tools before use to ensure they are in good condition.
- Do not use damaged tools; replace them immediately.
- Follow all local laws and regulations regarding firearm maintenance and safety.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before using the takedown tools.
- Use the takedown pin tool gently to avoid damaging the firearm or the tool.
- When using the magcatch tool, ensure that fingers are kept clear of the mechanism to avoid injury.
- Do not force the tools if they do not easily fit; check for obstructions or misalignment.
- Wear protective eyewear when using tools to protect against potential debris.

## Instructions for Installation and Usage

### Takedown Pin Tool Usage

#### 1. Preparation:

- Ensure the firearm is unloaded.
- Identify the front and rear takedown pins.

#### 2. Using the Tool:

- Insert the takedown pin tool into the pin hole.
- Gently push the tool to drive out the takedown pin.
- Repeat for the rear takedown pin.

#### 3. Removing the Upper Receiver:

- Once both pins are removed, carefully lift the upper receiver away from the lower receiver.

### Magazine Catch Tool Usage

#### 1. Preparation:

- Ensure the firearm is unloaded.
- Locate the magazine catch.

## **2. Using the Tool:**

- Insert the magazine catch tool to compress the spring.
- While compressing, turn or pull the magazine catch to remove it from the firearm.

## **3. Reinstallation:**

- To reinstall the magazine catch, reverse the steps ensuring that the spring is properly seated.

## **Disposal Instructions**

- Dispose of any damaged or worn tools in accordance with local regulations.
- Do not throw tools in regular household waste if they can be recycled.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the M16/AR15 Takedown Tools, please refer to the manufacturer's contact information provided on the product packaging or visit the official Sporting Conversions website.

By adhering to these safety instructions, you can ensure a safe and effective experience while using the M16/AR15 Takedown Tools. Thank you for prioritizing safety and responsible firearm maintenance.
