

AR-15 END PLATE SLING ADAPTER - END PLATE SLING ADAPTER

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

**Installs Easily; Choose Your Sling Positions ON Collapsible Stocks;
Made In The U.S.A.**

Ambidextrous, quick-detach sling swivel can be mounted on either side of the mounting plate on adjustable M4-type buttstocks so you can position your sling for optimum comfort and versatility. Hard coat anodized, 6061 aluminum body with a matte black finish holds up to the toughest use and won't crack or break over years of shooting. Won't interfere with the operation of stock and works well with single-point, two-point, or three-point tactical slings.

MIDWEST INDUSTRIES AR15 END PLATE SLING ADAPTER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MIDWEST INDUSTRIES AR15 End Plate Sling Adapter. This product is designed to enhance your shooting experience by providing a secure and versatile sling attachment point. Please read this safety instruction guide carefully to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always follow the manufacturer's instructions for installation and use.
- Ensure that the sling adapter is compatible with your specific firearm model.
- Regularly inspect the sling adapter for wear or damage before each use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use only with compatible M4type buttstocks to avoid malfunction.
- Do not exceed the recommended weight limit for the sling and its attachments.
- Ensure that the sling swivel is securely attached before use.
- Avoid using the sling adapter in extreme environmental conditions (e.g., excessive heat, cold, or moisture) that could affect its performance.
- If you notice any cracks or deformities in the product, discontinue use immediately and contact the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe before installation.
- Position the sling adapter on the desired side of the mounting plate on the buttstock.
- Securely attach the sling adapter using the provided hardware, ensuring all screws are tightened to the manufacturer's specifications.
- Doublecheck that the sling adapter is firmly attached before proceeding.

2. Usage:

- Attach your sling to the swivel of the sling adapter.
- Adjust the sling for comfort and optimal positioning.
- When using the firearm, ensure that the sling does not interfere with the operation of the stock or the firearm itself.
- Regularly check the attachment points during use to ensure they remain secure.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum and steel materials.
- Do not dispose of the product in regular household waste.
- Consider recycling the product at an appropriate facility to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the product, please reach out to the manufacturer's customer support services. Ensure you have your product details handy for a quicker resolution.

Thank you for your attention to these safety guidelines. Enjoy the enhanced functionality and versatility of your MIDWEST INDUSTRIES AR15 End Plate Sling Adapter. Stay safe and responsible while shooting!
