

# CARBON KILLER - SLIP 2000 4 OZ CARBON KILLER

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Solvents](#)

## Effective, High-Strength Cleaning & Protection For All Your Firearms

Non-toxic, highly-effective gun care products are specially formulated to provide superior firearms cleaning and protection without using harsh, smelly chemicals. Carbon Killer eliminates tough carbon fouling from bolts, cylinder faces, actions, muzzle breaks, and other hard-to-reach nooks and crannies. Designed as a parts bath, simply soak fouled parts for 5 to 10 minutes and wipe or brush clean. Can also be used with mops and brushes for bore cleaning. Completely non-hazardous, non-flammable, and biodegradable with a pleasant citrus scent. Reusable for many cleanings; plastic containers allow for easy, hassle-free storage between uses. For best results, follow cleaning with a thorough application of rust preventative oil. Follow manufacturer's recommendations to avoid damage to wood finishes, paint, anodizing, and bluing.

## Attributes

- Name: [SLIP 2000 4 OZ CARBON KILLER](#)
- Manufacturer: [SLIP 2000](#)
- Product no.: 100002846

# CARBON KILLER SLIP 2000 Safety Instruction Guide

## Introduction

Thank you for choosing CARBON KILLER SLIP 2000. This product is designed to provide effective cleaning and protection for your firearms without the use of harsh chemicals. Please read this safety instruction guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Always use CARBON KILLER SLIP 2000 in a wellventilated area to avoid inhalation of vapors.
- Keep the product out of reach of children and pets.
- Do not ingest the product. In case of ingestion, seek medical attention immediately.
- Avoid contact with eyes and skin. In case of contact, rinse thoroughly with water and seek medical attention if irritation persists.
- Store the product in a cool, dry place, away from direct sunlight and heat sources.
- Follow all local regulations regarding the use and disposal of cleaning products.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded and in a safe condition before applying the product.
- Use gloves when handling the product to avoid skin irritation.
- Avoid using the product near open flames or high heat sources, as it is nonflammable but can produce vapors.
- Do not mix CARBON KILLER SLIP 2000 with other cleaning agents or chemicals unless specified by the manufacturer.
- If you experience any adverse reactions while using the product, discontinue use and seek medical advice.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools, such as brushes and mops for application.

### 2. Application:

- For parts cleaning, soak the fouled parts in CARBON KILLER SLIP 2000 for 5 to 10 minutes.
- After soaking, use a brush or cloth to wipe or scrub the parts clean.
- For bore cleaning, apply the product with mops or brushes as needed.

### 3. PostApplication:

- After cleaning, follow up with a thorough application of rust preventative oil to protect the firearm.
- Store any unused product in its original container with the lid tightly closed.

## Disposal Instructions

- Dispose of any unused product and empty containers in accordance with local regulations.
- Do not pour the product down the drain or dispose of it in regular household waste.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding CARBON KILLER SLIP 2000, please refer to the manufacturer's customer service resources.

This safety instruction guide is designed to ensure the safe use of CARBON KILLER SLIP 2000 in compliance with the EU General Product Safety Regulation (GPSR). Please follow all instructions carefully to avoid potential hazards and ensure effective use of the product.
