# MC25 Cleaner Degreaser Safety Instructions

## Introduction

Thank you for choosing the MC25 Cleaner Degreaser from MilComm Products Company. This powerful enzymatic allgreen cleaner is designed to effectively clean and detoxify various surfaces while being environmentally friendly. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the product in a wellventilated area.
- Keep the product out of reach of children and pets.
- Avoid contact with eyes and skin. In case of contact, rinse thoroughly with water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Follow all local regulations regarding the disposal of cleaning products.

## Specific Safety Precautions for Use

- Use protective gloves and eyewear when handling the product to avoid skin and eye irritation.
- Do not mix with other cleaning agents or chemicals, as this may cause harmful reactions.
- Test on a small, inconspicuous area before applying to larger surfaces to ensure compatibility.
- Avoid using on surfaces that may be damaged by water or cleaning solutions.
- If using in confined spaces, ensure proper ventilation to prevent inhalation of vapors.

## Instructions for Installation and Usage

### 1. Preparation:

- Shake the bottle well before use.
- Ensure that the surface to be cleaned is free from loose debris.

### 2. Application:

- Spray MC25 Cleaner Degreaser directly onto the surface.
- For heavy grime, allow the product to sit for a few minutes to penetrate the dirt.
- Wipe the surface with a clean cloth or sponge.

### 3. Cleaning:

- For best results, use a microfiber cloth to avoid scratching surfaces.
- Rinse the cleaned area with water if required, especially on food contact surfaces.

### 4. PostUse:

- After cleaning, store the product in its original container with the lid tightly closed.
- Ensure that all cleaning tools used are cleaned and dried properly.

## Disposal Instructions

- Dispose of any unused product and its container in accordance with local regulations.
- Do not pour down the drain or dispose of in regular household waste.
- Check with local waste management for specific disposal instructions.
