

# PERCISION LONG RANGE SHOOTING MATS - PRECISION LONG RANGE SHOOTING MAT, COYOTE BROWN

[Shooting Accessories](#) > [Range Gear](#) > [Shooting Mats/Stools](#)

## **Oversized With Extra-Thick Foam Interior For Superior Comfort; Made In The U.S.A.**

Fold-up shooting mat with thick foam padding provides maximum protection from rough ground, so you can sit or lay prone for hours in any shooting environment. A rugged 1000 denier Cordura® exterior with a waterproof polyurethane coating blocks out moisture and cold to help keep you dry and comfortable. Oversized, 79" length accommodates even the tallest shooters. Four panel design allows you to stow your firearm inside the folded mat during carry in the field. Large handles and retaining straps constructed of 2" wide webbing with hook-and-loop fasteners keep everything contained and mobile. Built-in, 1" high foam lip at the front of the mat provides a stop to prevent forward bipod movement for fast follow-up shots.

# PERCISION LONG RANGE SHOOTING MAT Safety Instructions

## Introduction

Thank you for choosing the PERCISION LONG RANGE SHOOTING MAT. This guide provides essential safety instructions to ensure your safe use of the product. Please read this manual carefully before using the shooting mat to maximize your safety and enjoyment.

## General Safety Guidelines

- Ensure that the shooting mat is used in a safe environment away from unauthorized individuals, especially children.
- Always inspect the shooting mat for any signs of damage or wear before each use.
- Use the shooting mat only for its intended purpose: as a shooting mat for longrange shooting.
- Be aware of your surroundings and ensure that you have a clear line of sight when using the shooting mat.
- Report any unsafe conditions or accidents to the relevant authorities immediately.

## Specific Safety Precautions for Use

- **Avoid Moisture:** Although the mat has a waterproof coating, avoid prolonged exposure to damp conditions to maintain its integrity.
- **Proper Handling:** When carrying the folded mat, ensure that it is securely fastened to prevent accidental opening.
- **Bipod Stability:** Utilize the builtin foam lip to prevent forward bipod movement. This feature is crucial for maintaining stability during shooting.
- **Weight Limit:** Ensure that the mat can support your weight comfortably when sitting or lying down.
- **Storage:** Store the shooting mat in a cool, dry place when not in use to prevent degradation of materials.

## Instructions for Installation and Usage

### 1. Unfolding the Mat:

- Find a flat, stable surface to lay the mat.
- Unbuckle and unfasten the retaining straps to unfold the mat completely.

### 2. Setting Up the Mat:

- Position the mat in your desired shooting location.
- Ensure the mat is laid out flat without any folds or obstructions.

### 3. Using the Mat:

- Sit or lie prone on the mat, ensuring that your body is fully supported and comfortable.
- Place your firearm on the mat or utilize the fourpanel design to stow your firearm securely.

### 4. After Use:

- Carefully fold the mat back into its compact form.
- Secure the retaining straps and handles to keep the mat contained for transport.

## Disposal Instructions

- Dispose of the shooting mat in accordance with local regulations regarding textile waste.
- If the mat is damaged beyond repair, consider recycling the materials where possible.
- Do not burn the mat, as it may release harmful substances when incinerated.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the PERCISION LONG RANGE SHOOTING MAT, please refer to the contact information provided by the manufacturer, CROSSTAC. Ensure you have the product details ready for quicker assistance.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your PERCISION LONG RANGE SHOOTING MAT. Thank you for your attention to safety!
