

# AR-15 MCTAR-SPLP REAR SIGHT - MIDWEST INDUSTRIES AR-15 FLIP-UP ADJUSTABLE MCTAR-SPLP REAR SIGHT BLACK

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

Flip-up sights deploy with the flick of a finger to provide instant back-up, so you stay in the fight if your optic or laser sight fails. Super-smooth pivot mechanism with sturdy ball-bearing detent locks positively in the raised position and stays locked until you hit the pushbutton release. Sight folds down neatly out of your sight path when not in use. Machined from high-quality 6061 T6 aluminum and hardcoat anodized for increased wear-resistance. Hex wrench included with all models for easy installation. Rear Sights clamp securely to flattop receivers. Flip-style A2 aperture features a small peep opening for long-range daylight shots and a large opening for close-range and low-light work. Same-plane calibration ensures the point of impact will not change when switching from one aperture to the other. Deeply grooved knob provides positive clicks for windage adjustment in .65 MOA increments on rifles and carbines with 16" barrels and .49 MOA on rifles with 20" barrels. MCTAR-SPLP - Low-profile design is less than ½" high when folded, yet provides full windage adjustment like the ERS model. Aperture has .070" and .200" diameter peeps.

## Attributes

- Name: [MIDWEST INDUSTRIES AR-15 FLIP-UP ADJUSTABLE MCTAR-SPLP REAR SIGHT BLACK](#)

# AR15 MCTARSPLP Rear Sight Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 MCTARSPLP Rear Sight by Midwest Industries. This guide provides essential safety instructions and information to ensure the safe and effective use of your new rear sight. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the AR15 MCTARSPLP Rear Sight by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about any product recalls by checking the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements.
- **Consumer Focus:** This product is designed for adult users. Keep it away from children and vulnerable individuals.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Monitor updates regarding safety alerts related to this product.

## Specific Safety Precautions for Use

- **Installation Precautions:**
  - Ensure the firearm is unloaded before installation.
  - Use the included hex wrench for secure attachment to prevent accidental loosening during use.
- **Operational Precautions:**
  - Always verify the functionality of the sight before use.
  - Avoid using the sight in extreme weather conditions that may affect its performance.
- **Maintenance Precautions:**
  - Regularly check for wear and tear on the sight.
  - Clean the sight with a soft cloth to avoid scratching the lens.
- **Handling Precautions:**
  - Handle the sight with care to avoid dropping or damaging it.
  - Do not attempt to modify the sight in any way.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your AR15 is unloaded and pointed in a safe direction.
- Identify the flattop receiver where the rear sight will be mounted.
- Align the sight with the mounting rail and secure it using the included hex wrench.
- Confirm that the sight is firmly attached and does not wobble.

### 2. Usage:

- To deploy the sight, flick it up with your finger. Ensure it locks into position.
- Adjust the windage using the deeply grooved knob for precise targeting.
- Switch between apertures by rotating the aperture selector for optimal performance based on distance and lighting conditions.
- When not in use, fold the sight down to keep it out of your sight path.

### **3. Testing:**

- After installation, conduct a test to ensure the sight is functioning correctly.
- Fire a few rounds to confirm that the point of impact aligns with the sight's calibration.

## **Disposal Instructions**

- Dispose of the AR15 MCTARSPLP Rear Sight in accordance with local regulations.
- If the product is damaged or no longer in use, ensure it is securely packaged to prevent injury during disposal.
- Recycle materials where applicable, following local guidelines for aluminum and other materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 MCTARSPLP Rear Sight, please refer to the contact information provided by your retailer or the manufacturer. They will assist you with warranty claims, product support, and any safety inquiries.

By following these safety instructions, you can ensure the safe and effective use of the AR15 MCTARSPLP Rear Sight. Thank you for your attention to safety and responsible firearm handling.
