

AR-15 A2 FIELD SURVIVAL TOOL GRIP CORE - SAMSON MANUFACTURING CORP AR-15 A2 FIELD SURVIVAL TOOL GRIP CORE BLACK POLYMER

[Emergency & Survival Gear](#) > [Tools](#) > [Multi-Tool](#)

Indispensable All-In-One Tool System Stores In Pistol Grip

Versatile multi-tool is like an armorer's kit that fits in the palm of your hand and stores in the pistol grip of your rifle, so you have it when you need it. Inside, you'll find an array of tools for performing emergency repairs to get your AR back in action fast in combat, on the range, or in the field. There's a flat-blade screwdriver, broken shell extractor, carbon scraper, cotter pin hook for removing firing pin from bolt, A2 front sight tool, magazine feed lip gauge, and a feed lip adjustment tool. A refillable stainless steel tube holds just enough oil for one field lube. Use the wire brush for cleaning the bolt and carrier key, or remove the brush and attach it to the pull cable for bore cleaning using the shell extractor as a T-handle. A2 fits standard A2-type pistol grip. Twist the base to activate the compression lock system and anchor the tool securely—no movement, no rattling. Aggressive, molded "teeth" on the base serve as an emergency strike plate during hand-to-hand combat. Teeth are designed to create painful pressure points on impact, but won't snag on your gear during ordinary activity. Available packaged with a Hogue Monogrip® A2-style pistol grip. Rigid fiberglass core is "overmolded" with non-slip rubber with palm swells and finger grooves to reduce shock, improve comfort, and aid in positive weapon control.

Attributes

- Name: [SAMSON MANUFACTURING CORP AR-15 A2 FIELD SURVIVAL TOOL GRIP CORE BLACK POLYMER](#)
- Manufacturer: [SAMSON MANUFACTURING CORP](#)

AR15 A2 FIELD SURVIVAL TOOL GRIP CORE Safety Instruction Guide

Introduction

Thank you for choosing the AR15 A2 Field Survival Tool Grip Core by Samson Manufacturing Corp. This multitool is designed to enhance your experience with the AR15 platform by providing essential tools for emergency repairs and maintenance. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle the tool with care and respect.
- Keep the tool out of reach of children and unauthorized users.
- Regularly inspect the tool for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of firearms and associated tools.
- Do not modify the tool in any way that could compromise its safety or functionality.

Specific Safety Precautions for Use

- **Emergency Repairs:** Use the tools only for their intended purpose. Avoid using excessive force, which could lead to tool breakage or personal injury.
- **Cleaning:** When using the wire brush, ensure that you are wearing appropriate eye protection to avoid debris entering your eyes.
- **Lube Application:** Use the refillable stainless steel tube with caution. Avoid overfilling to prevent leaks.
- **Combat Use:** The aggressive molded teeth are designed for emergency situations. Ensure you understand how to use them effectively to avoid accidents.
- **Installation:** Ensure the tool is securely anchored in the pistol grip before use. Check the compression lock system to confirm it is activated.

Instructions for Installation and Usage

1. Installation:

- Remove the existing pistol grip from your AR15 if applicable.
- Insert the AR15 A2 Field Survival Tool Grip Core into the grip cavity.
- Twist the base to activate the compression lock system. Ensure the tool is securely anchored with no movement.

2. Usage:

- For emergency repairs, select the appropriate tool from within the grip.
- Use the flatblade screwdriver, broken shell extractor, carbon scraper, or other tools as needed.
- When cleaning the bolt and carrier key, attach the wire brush to the pull cable for bore cleaning.
- Always ensure proper grip and control of the weapon while using the tool.

Disposal Instructions

- Dispose of the tool according to local regulations for electronic and mechanical waste.
- If the tool is damaged beyond repair, ensure it is disposed of in a way that prevents accidental use by unauthorized individuals.

Contact Information for Further Support

For any safety inquiries or concerns regarding the AR15 A2 Field Survival Tool Grip Core, please refer to the official website of Samson Manufacturing Corp or contact your local distributor.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the AR15 A2 Field Survival Tool Grip Core. Always prioritize safety in your handling and usage of this multitool. Thank you for your attention to these guidelines.
