

# ACOG/MODULAR BASES - MINI-ACOG MOUNT 1.5-3X POWER

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

The AD-B2 modular base is the medium base in our modular lineup. It is designed to accept several different risers to accommodate a variety of optics. Standalone, it is ideal for the 1.5–3x Power Mini ACOG Scopes, such as the TA33 and TA44. The AD-B3 modular base is the large base in our modular lineup. Standalone it is mount for for the full sized 3x Power ACOG scopes, such as the TA01, TA11 and TA31. Also fits scopes with similar ACOG Style Bases such as the Burris AR-332. Alternatively it can accept several different risers to accommodate a variety of uses. The overall length of the base is 3.5". The AD-B4 modular base is the largest base in our modular lineup. Standalone, it is a full size ACOG mount. Alternatively it can accept several different risers to accommodate a variety of uses. The overall length of the base is 4". The mounts are precision machined from 6061 T6 aluminum and finished in hard coat T3 Mil-Spec anodize. It features the Patented QD Auto Lock™ Lever system to accommodate both in spec and out of spec rail systems

# ACOG/MODULAR BASES MINIACOG MOUNT 1.53X

## POWER Safety Instructions

### Introduction

Thank you for choosing the ACOG/Modular Bases MiniACOG Mount 1.53X Power. This product is designed for use with various ACOG scopes and is built to provide a secure and reliable mounting solution. To ensure your safety and the proper functioning of the product, please read and follow these safety instructions carefully.

### General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified in the product description.
- Regularly inspect the mount for any signs of wear, damage, or loose components before each use.
- Do not modify or alter the mount in any way, as this may compromise safety and performance.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Store the mount in a cool, dry place when not in use to prevent corrosion or degradation of materials.

### Specific Safety Precautions for Use

- Always ensure that the mount is securely attached to the firearm before use.
- Check that the optic is properly mounted and aligned to prevent misalignment during shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use protective eyewear and hearing protection when shooting with the mounted optic.
- Follow all local laws and regulations regarding the use of firearms and optics.

### Instructions for Installation and Usage

#### Installation

##### 1. Preparation:

- Gather all necessary tools for installation, including a torque wrench if required.
- Ensure the firearm is unloaded and pointed in a safe direction.

##### 2. Mounting the Base:

- Align the ADB2, ADB3, or ADB4 modular base with the mounting rail of your firearm.
- Securely fasten the mount using the provided screws, ensuring they are tightened to the manufacturer's specifications.

##### 3. Attaching the Optic:

- Select the appropriate riser if needed for your specific optic.
- Attach the Mini ACOG scope (such as TA33 or TA44) to the mount, ensuring it is firmly secured.

##### 4. Final Checks:

- Doublecheck all screws and connections to ensure everything is tight and secure.
- Perform a function check to ensure the optic operates correctly with the mount.

#### Usage

- Use the mounted optic according to the manufacturer's instructions for the scope.
- Regularly check the mount and optic during use for any signs of loosening or damage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- If the mount is damaged or no longer in use, recycle it at a certified recycling facility.

## **Contact Information for Further Support**

For any inquiries regarding product safety or performance, please refer to the manufacturer's website or contact their customer support.

By following these safety instructions, you can ensure a safe and effective experience with your ACOG/Modular Bases MiniACOG Mount 1.53X Power. Thank you for your attention to these guidelines.
